Full product description

YEALINK SIP-T19P E2

A new budget IP Phone for small and medium sized businesses, it combines style, **high build quality and the best advanced technology**. The Yealink T19P E2 has absorbed all the benefits of the previous Yealink SIP-T19P model, but stands out with increased performance thanks to a **new chipset** that speeds up the phone. A budget grade IP phone with SIP support for 1 account. It has **good sound quality**, Easy to set up and use. The device is suitable for any office. **Yealink SIP-T19P E2** has become a high quality budget SIP phone for IP telephony. Yealink SIP-T19P E2 differs in **PoE support** from its sister model Yealink SIP-T19.
