Full product description

DECT cordless phone W53P

The **Yealink W53P** wireless DECT phone is a reliable and economical choice for customers who are looking for a mid-range DECT IP phone for their moderate and active communications on the go.

Superior sound quality

Based on the **CAT-1q2.0 DECT** wireless standard to offer superior and stable sound quality for effective and clear communication.

Ergonomic design

The installed lithium-ion battery is ready for long-lasting connectivity with 18 hours of talk time and 200 hours of standby time. Supports an optional protective case with water and dust protection.

Reliable and durable

With a height of 150 mm and a depth of 25 mm, the **Yealink W53P phone** allows you to carry it comfortably or put it in your pocket. Easy and fast operation with a 128x160 pixel color screen.

Seamless compatibility with Yealink W60B DECT Base

The **Yealink W60B** supports up to 8 handsets, 8 SIP accounts and 8 simultaneous calls. The **Yealink W60B DECT base** is compact and works seamlessly with the entire range of Yealink DECT handsets and repeaters. It also supports efficient provisioning and mass deployment with Yealink's forwarding and sharing service and booth mechanism to provide contactless service.
