Yealink

Manufacturer: YEALINK

Referention number: DNXXGGHQLRMNHH

Product features

Product type	IP mobile phone
Panel type	TFT
Charging device	Yes
Resolution	128 pixels
Call forwarding	Yes
Input current	0.2 A
Integrated voicemail	Yes
Storage temperature (T-T)	-30 - 70 °C
Battery capacity	1010 mAh
Battery voltage	3.7 V
Distinctive ring	Yes
Package weight	8314 g
Humidity measurement range	10 - 95%
Call waiting	Yes
Keypad illumination	Yes
Harmonized System (HS) code	85171800
Speed dialling	Yes
Base station	Yes
Headset included	Yes
Handset dimensions (WxDxH)	144 mm
Input frequency	50 Hz
Handset weight	112 g

Operating temperature (T-T)	-10 - 50 °C
Package depth	104 mm
Package height	90 mm
Package width	181 mm
Call hold	Yes
Display diagonal	1.8 "
Backlight keypad	Yes
Conference call	Yes
AC adapter input voltage	100 V
Redialing	Yes
Battery technology	Lithium-Ion (Li-Ion)
AC adapter output current	0.6 A
AC adapter output voltage	5 V
Product colour	Grey
Handset type	Wireless handset
Phonebook capacity	100 entries
Speakerphone	Yes

Full product description

High-performance solution

Supporting the registration of up to 10 **Yealink W73H DECT** phones, **the W73P system** is introduced with robust processing capacity for up to 10 SIP accounts and 20 simultaneous calls. Greater flexibility and mobility can be achieved with up to 6 optional repeaters to extend network coverage.

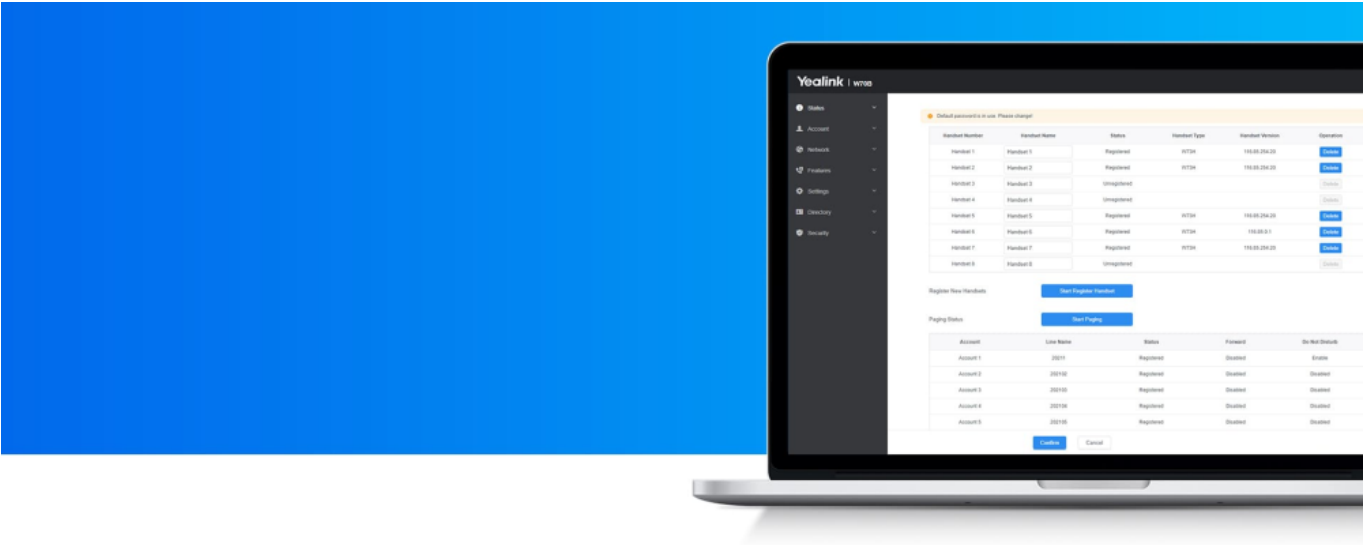

HD audio

The **Yealink W73P** includes upgraded hardware, acoustic algorithm, computing performance and signal strength, providing flexible workers with HD audio. For workers in complex environments, the system also provides noise-free calls with higher volume.

Intuitive interface

The **W73P** supports efficient provisioning and seamless mass deployment with a Redirection and Provisioning Service (RPS) and Boot mechanism to help realize remote deployment, maintenance and upgrades. In addition, a new web portal for device management brings a clear and intuitive interface to enhance the user experience.

Compatibility

The **Yealink W73P DECT IP** phone system is also compatible with Yealink's entire series of DECT endpoints, including handsets, conference phones and DD phones, offering additional options for building wireless communication networks across workplaces.
