Manufacturer: YEALINK

Referention number: DNXGGJIMHRMLPP

Product features

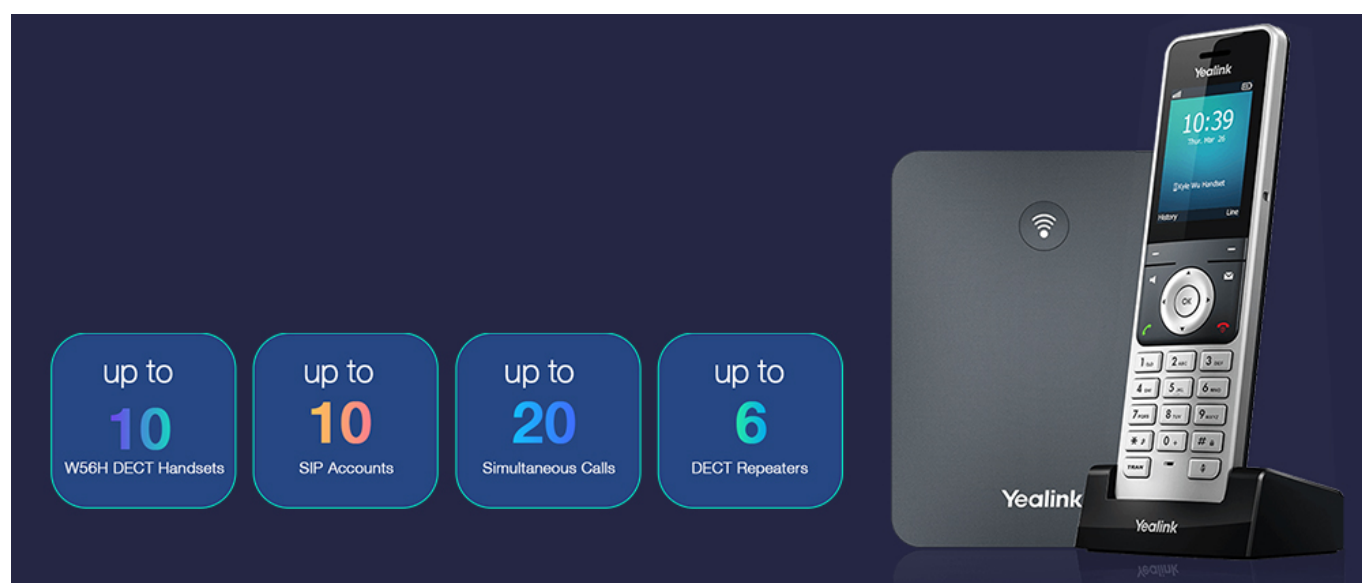

Product type	IP mobile phone
Call history	Yes
Panel type	TFT
Charging device	Yes
Backlight display	Yes
Resolution	240 pixels
Call forwarding	Yes
Integrated voicemail	Yes
Lines quantity	20 lines
Storage temperature (T-T)	-30 - 70 °C
Humidity measurement range	10 - 95%
Call waiting	Yes
Harmonized System (HS) code	85171800
Speed dialling	Yes
Call divert	Yes
Networking standards	IEEE 802.1af
Ethernet cable	Yes
Vibrating alert	Yes
Base dimensions (WxDxH)	130 mm
Full duplex	Yes
Handset dimensions (WxDxH)	175 mm
Operating temperature (T-T)	-10 - 50 °C

Device lock	Yes
Anonymous call rejection	Yes
AC adapter included	Yes
Message-waiting indicator (MWI)	Yes
Call hold	Yes
Mounting	Desk/Wall
Direct call	Yes
Display diagonal	2.4 "
Intercom	Yes
Conference call	Yes
Number of function keys	6
Bluetooth	Yes
Ethernet LAN	Yes
AC adapter input voltage	100 V
Redialing	Yes
Battery technology	Lithium-Ion (Li-Ion)
Product colour	Grey
DHCP client	Yes
Handset type	Wireless handset
Phonebook capacity	1000 entries
Caller ID	Yes
Speakerphone	Yes

Full product description

High-performance solution

Supporting registration of up to 10 **Yealink W56H DECT** handsets , **the W76P system** is introduced with robust processing capacity for up to 10 SIP accounts and 20 simultaneous calls. Greater flexibility and mobility can be achieved with up to 6 optional repeaters to extend network coverage.

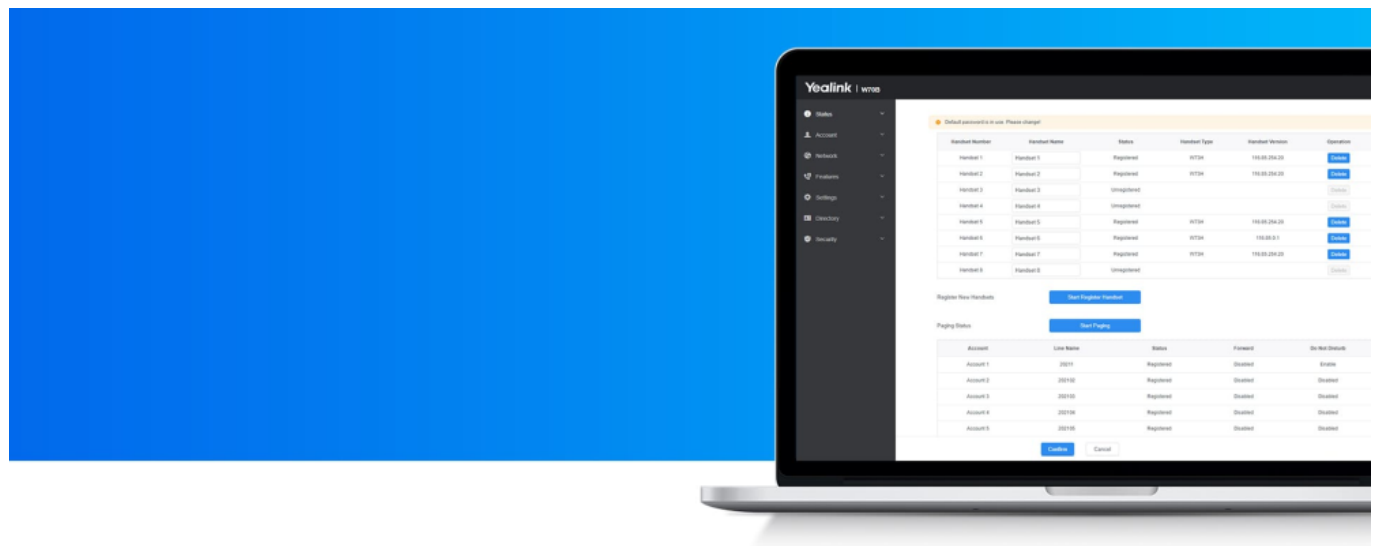

HD audio

Combining the **W56H** professional handset with the new **Yealink W70B DECT** base station , **the W76P** provides excellent and stable audio quality in both high-bandwidth and low-network conditions, thanks to support for Opus and a series of audio codecs. The noise cancellation system also ensures call efficiency in complex environments.

Intuitive interface

The **W76P** supports efficient provisioning and seamless mass deployment with a Redirection and Provisioning Service (RPS) and Boot mechanism to help realize remote deployment, maintenance and upgrades. In addition, a new web portal for device management brings a clear and intuitive interface to enhance the user experience.

Compatibility

The **Yealink W79P DECT IP** phone system is also compatible with **Yealink's** entire series of **DECT** endpoints, including handsets, conference phones and DD phones, offering additional options for building wireless communication networks across workplaces.
