Full product description

Xiaomi 70mai RC06 Back-up Camera

Xiaomi 70Mai RC06 rearview camera is designed to connect to **Xiaomi 70Mai A800 4K Dash Cam** and **Xiaomi 70Mai A400 Dash Cam**. The camera has no moisture protection and is attached to the rear window of the car inside the passenger compartment with 3M adhesive tape.

Exceptional quality

A rear camera with **Full HD 1080P** resolution and **130-degree viewing angle** avoids blind spots. Video from both cameras will be available on an SD card.

Convenient handling

Additionally, in the DVR settings, **you can choose** which camera will be the main camera transmitting video when the DVR is turned on. If you choose the rear camera, you can switch back to the main camera at any time by **simply pressing the appropriate button** on the black box control panel. It is also convenient to view the camera via **a mobile app** directly from your phone.
