Full product description

Akaso Brave 7 LE - an ideal choice if you are looking for a reliable sports camera.

With 4K video quality, a **waterproof housing** and **IPX7 waterproof rating**, this camera will keep you **clear and safe on your most extreme adventures**. What's more, with color displays on the front and back of the camera, you'll have full control over every shot, all in an action-ready package.

Exceptional image quality and versatility

Sturdy construction and water resistance

The Akaso Brave 7 LE is ideal for scuba diving and all water sports thanks to the included waterproof case that guarantees protection from water, and the rugged design means it can withstand harsh conditions and dynamic activities. So you can plan and execute any adventure without worrying about damaging your equipment.

Convenience and ease of use

The Akaso Brave 7 camera has **2 x color displays** - in front and behind the camera, making it much easier to frame and control your shots. This way you'll always be able to see what you're recording, whether you're in front or behind the camera. In addition, **the kit comes with all the necessary accessories**, including 7 x mounting brackets, tube mount, helmet, strap, USB cable, double-sided tape, security cable and lens cloth, ensuring that you have everything you need to record your adventure.
