Full product description

A universal solution for any vehicle

The presented set of 625 car clips, pins and clips is an indispensable accessory for any driver who cares about the aesthetics and functionality of the interior of his vehicle. Thanks to their universal nature, these elements fit most car models, allowing you to quickly and permanently fix upholstery and other trim elements.

Complete repair and modification kit

The set includes a variety of clips and clips that will work well for both minor repairs and major modifications to a vehicle's interior. Whether you plan to replace upholstery, install new panels or repair existing components, this set will provide you with the right tools for the job

Durability and workmanship

The elements included in the set were made of high-quality materials, which guarantees their durability and resistance to mechanical damage and weather conditions. Thanks to their solid workmanship, the clips and clips provide a secure and stable attachment, which translates into long-term use without the need for frequent replacement.
