Full product description

EXTRALINK Set of 2 Double-Wall Thermal Glasses 430 ml - Everyday Style and Functionality.

Meet a set of two EXTRALINK thermal glasses with an impressive capacity of 430 ml, which perfectly combine stylish design with exceptional functionality. Thanks to double walls, the glasses maintain the temperature of your favorite drinks, making every moment with them even more special. Ideal for both coffee, tea and cold drinks - indispensable at home, in the office or on the go.

Large capacity and double walls for perfect temperature

EXTRALINK thermal glasses are distinguished by their **430 ml** capacity , making them an ideal choice for serving larger portions of your favorite beverages. Thanks to **the double walls**, your drinks stay hot for a longer period of time, while cold drinks stay fresh and cool. At the same time, the outside of the glass remains cool for convenience and safety.

Stylish design and convenient use

Each glass was designed with **a modern design in** mind, which fits perfectly in any interior. Thanks to their ergonomic design, they are easy to hold and carry, making them a practical solution both at home and in the office. Their elegant design also makes them perfect as a gift, adding a touch of luxury to your daily drinking ritual.
