Full product description

Gonggi Squid Game Dice - Feel the atmosphere of the series!

Gonggi dice are a faithful replica of the props made famous by the popular **Netflix series "Squid Game."** Available in six distinctive colors: red, purple, blue, green and yellow, they are immediately eye-catching. **The set includes five dice** that look like they perfectly mimic those used in the traditional Korean game Gonggi and in the series itself. With them, you can feel the excitement and competitive spirit straight from the "Squid Game" during your own gameplay.

Durability and build quality

Gonggi Haele is a **classic arcade game** that has been popular in South Korea for years. Now, with this set, you have the opportunity to bring this game to your home and feel like the characters from famous TV productions. The game is **simple to learn, but requires precision and reflexes**, making it provide hours of exciting competition.

Durable material and solid workmanship

The set includes five dice made of high-quality plastic for **long life** and comfortable play. The smooth surface and well-balanced shape make each game dynamic and satisfying. **The material meets safety standards (CE)**, which guarantees the quality of the product.

Great fun for kids and adults

This game has no age restrictions - **both children and adults** can play it. Gonggi Hacele develops dexterity , **hand-eye coordination** and reflexes, making it a great choice for family evenings or gatherings with friends. The rules are simple, but each approach is a new challenge, so the game never gets boring.
