Full product description

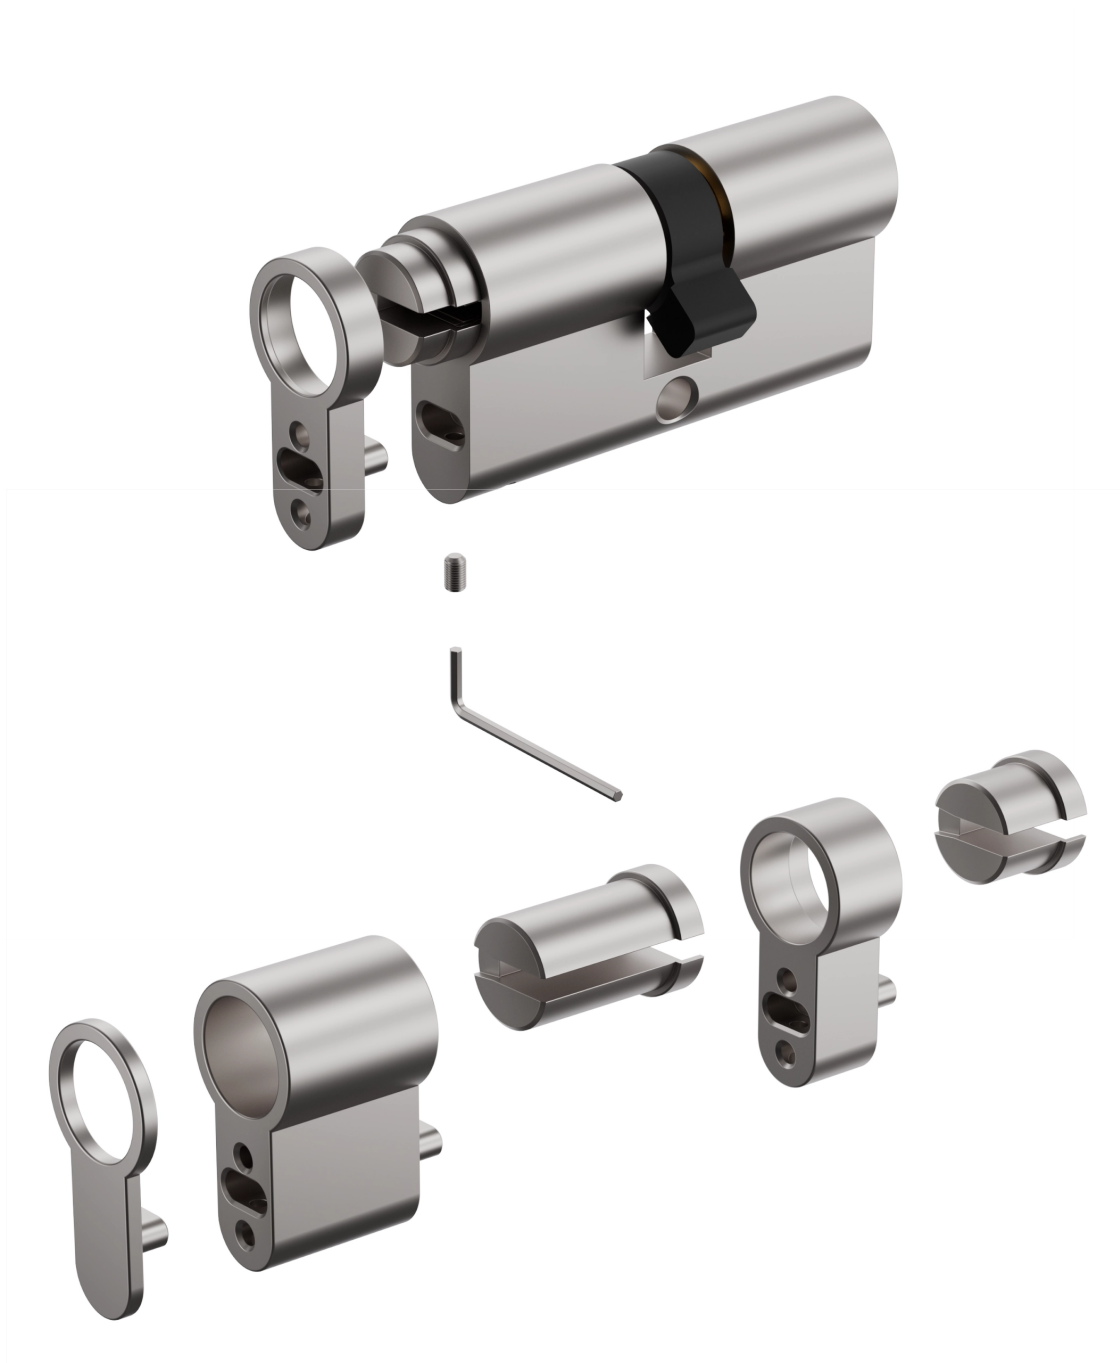

Aqara AL-D04E | Adjustable cylinder for U200 smart lock

The **Aqara AL-D04E** insert is the ideal solution for owners of the **Aqara U200 smart lock** who are looking for an easy way to fit the lock to doors of **different thicknesses**. Thanks to its **adjustable insert**, it provides maximum comfort and a precise fit to the width of the door. **The Aqara U200 lock** with this insert provides full functionality for fast and secure access.

Adjustable length

The **Aqara AL-D04E cylinder** is **adjustable**, allowing it to fit doors from 62 mm to 132 mm thick. The ability to adjust the length precisely makes **installation of the lock** quick and easy, and the lock fits perfectly into various door profiles. **The adjustable cylinder** ensures high compatibility with various door systems.

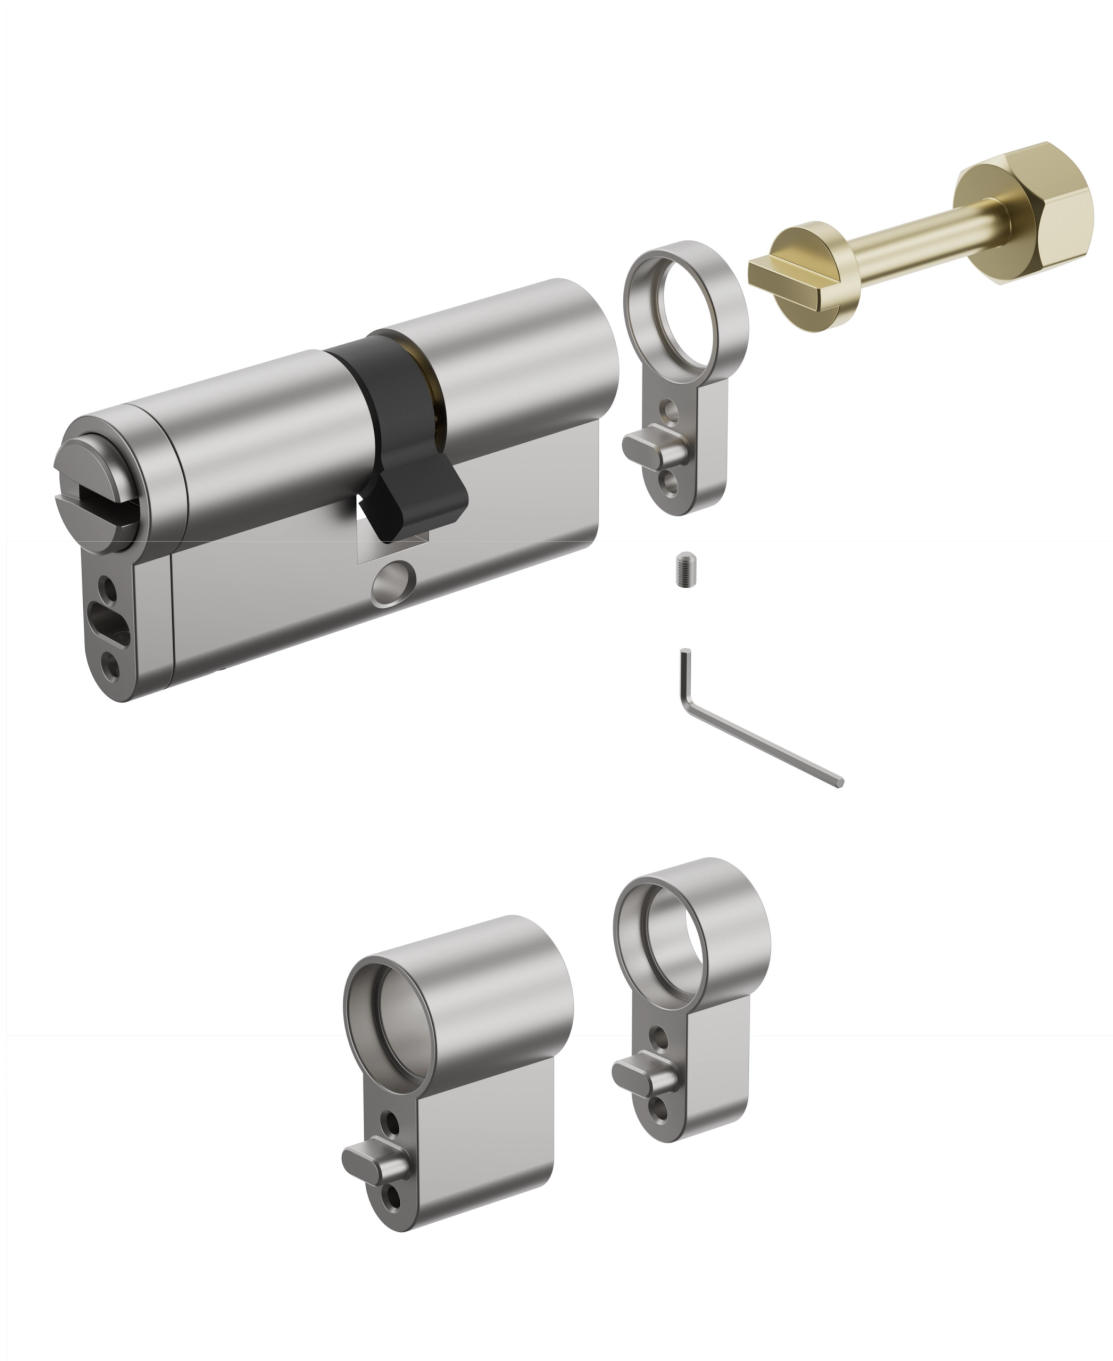

High quality materials

The **Aqara cylinder** is made of durable materials, which ensures its **longevity** and reliability. Thanks to its robust construction, **the Aqara AL-D04E** works effectively for a long time, ensuring **the security of** your home. The materials used guarantee **resistance to damage**, making the insert an excellent choice for everyday use.

Easy installation

The kit includes **all the necessary accessories**, such as **a screwdriver**, **a set of screws**, and **an adapter for mounting**, which enables simple and quick installation. Thanks to the detailed instruction manual, the installation becomes even easier, and the adjustment of the insert does not cause any problems. Aqara lock with adjustable insert provides convenience and time saving.

Compatibility with Aqara U200

Aqara AL-D04E is specially designed to work with **Aqara U200 smart lock** and other **Aqara** products. With this insert, you can adapt **the U200 lock** to doors of different thicknesses for a **universal fit**.
