Full product description

Open the door to convenience and security

The Aqara NFC access card is the ideal solution for those looking for a simple, convenient and secure way to open doors. With its help, you gain easy access to your home or office - with just one touch, you can unlock the Aqara Smart Lock U200. Offering seamless integration with popular smart home platforms, the NFC access card is the perfect addition to your security system, providing both convenience and protection.

Convenient opening with NFC card

Using Aqara's NFC access card, the process of opening a door becomes quick and intuitive. Simply bring the card close to the Aqara Smart Lock U200 to gain instant access. With Matter over Thread support and support for major smart home platforms such as Apple Home, Google Home, Alexa, SmartThings and Aqara Home, you can choose from a variety of unlocking methods - including using Apple Home keys, fingerprint, password and NFC card. This convenient solution adapts to your needs.

Personalized access management

Each NFC access card is assigned to one Aqara Smart Lock U200, allowing you to precisely manage access to the room. This allows you to control who has the right to open the door - whether family members, employees or guests. The ease of configuring access makes it ideal not only for homes, but also for offices or short-term and long-term rental facilities.

High-quality security features

The Aqara NFC access card is equipped with an EAL5-class chip, which provides a high level of security comparable to that used in banking systems. As a result, the data stored on it is effectively protected against unauthorized copies or tampering attempts. Using this card, you can be sure that access to your home or office is properly secured.

Simple configuration and management

Programming the Aqara NFC access card is extremely easy and intuitive. Using inductive technology, you can quickly assign card access for family, friends, employees or guests. This makes the system flexible, easy to use and at the same time provides a high level of protection against unwanted people. Whether you are managing access to your home, office or rental apartment, this access card is sure to meet your needs.

Ideal for Aqara Smart Lock U200

The Aqara NFC Access Card is an excellent choice for those using the Aqara Smart Lock U200. It provides convenience, ease of use and a high level of protection, making it a great solution for both homes and offices. With this card, you can enjoy security that combines modern technology with ease of everyday use.
