Full product description

The magic of light for any occasion

Enliven your space with the modern glow of EXTRALINK 500L LED lights in a cold white shade! They are ideal for both indoor and outdoor decorations - from holiday illuminations to minimalist everyday arrangements. With a long life and elegant design, these lights perfectly combine practicality with aesthetics.

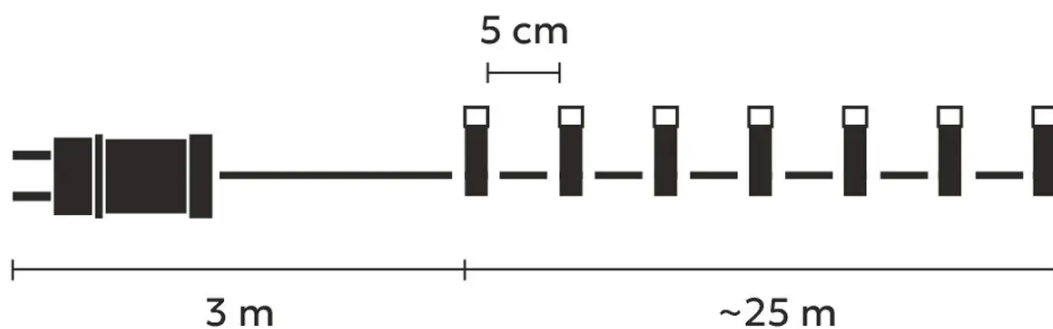

Length that impresses

The set offers **as much as 25 meters of decorative length** and **3 meters of power cable**, which allows free use in large areas. Regular spacing of LEDs every 5 cm guarantees even illumination of the entire decoration. This is a perfect solution for large Christmas trees, long railings or spacious terraces.

500 LEDs with cool white light

The lights are equipped with **500 energy-saving LEDs** that emit cold, elegant light, giving the space a modern and stylish look. The use of LED technology means less energy consumption, which is friendly to both the environment and your wallet. The cold white light perfectly accentuates modern interiors and striking holiday arrangements.
