Full product description

Extralink Makeup Mirror - Perfection at your fingertips

Extralink Makeup Mirror with LED Illumination is an essential accessory for every makeup and grooming lover. Thanks to **the built-in LED backlight**, magnification and practical base, applying perfect makeup becomes even easier and more precise. **Modern design and high functionality will make you love every moment spent in front of this mirror.**

LED backlighting - always perfect lighting

The Extralink cosmetic mirror is equipped with **22 energy-saving LEDs** that provide excellent illumination during makeup. You can **easily adjust the intensity of the light** with the touch switch, so you can adjust the brightness to suit your needs.

Magnifying mirrors for precise details

On the sides of the mirror, there are two additional mirrors with **2x** and **3x magnification**, which allow you to do precise details, such as eye makeup or eyebrows. This will make even the smallest details look perfect.

Compact design and functionality

The fold-out design allows easy storage and transportation, making the mirror extremely practical. Equipped with a solid base, it provides stability and convenience of use.

Convenient power supply and easy operation

The mirror is powered by **the included USB cable**, eliminating the need for batteries. It also has an additional **On/Off** switch **on** the back for easy operation. It's the perfect combination of modern technology and ease of use.
