Full product description

BeBird T15: A Revolution in Ear Hygiene - See More, Clean More Thoroughly!

Tired of cleaning your ears in the dark? Introducing **the Bebird T15 - a camera otoscope** that takes ear hygiene to a whole new level. With **real-time viewing and precise tools**, ear cleaning becomes not only effective, but most importantly safe and comfortable. Experience the future of ear hygiene today!

INTELIGENTNY CZYŚCIK Z KAMERĄ

- Kamera 5 mpx HD 1080P
- Wodoodporny szczelny obiektyw
- Bezpieczna łożeczka do wyciskania pryszczu

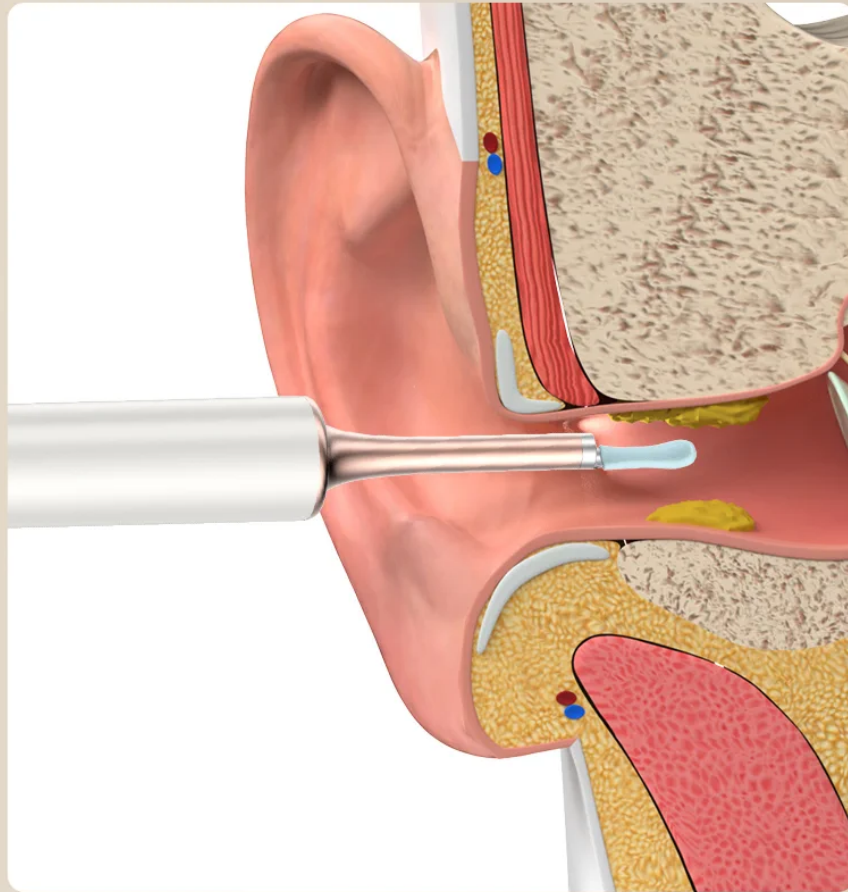

5MP Camera - Your Window to the Inside of the Ear

Forget about guessing! Bebird T15 is equipped with **a 5 megapixel camera** that literally opens a window into your ear. The high-resolution image, transmitted in real time to your smartphone screen, allows you to **see every detail**. No more uncertain movements or risk of damaging delicate ear structures. Now you have full control and confidence that the cleaning is thorough and safe. In addition, **the miniature lens with a diameter of just 3.5 mm** easily penetrates the ear canal for comfortable and precise observation.

Stable Image - Precision of Movement Without Tremors

Trembling hands will no longer be a problem! Thanks to the built-in **6-axis intelligent gyroscope**, the image from the Bebird T15 camera remains **perfectly stable**, even when your hand is gently trembling. This solution guarantees smooth and clear viewing in any position. You can **maneuver the otoscope with extreme precision**, getting exactly where you want without worrying about losing control of the image. This is the key to safe and effective ear cleaning.

3P Optics - Visibility in Any Situation

Bebird T15 is a device created for special tasks. The 3P optic ensures excellent visibility in all conditions. **The waterproof, dustproof and fogproof lens** ensures that the image is always clear and crisp, regardless of humidity or dust particles. **Depth of field from 10 to 50 mm** allows precise observation of different areas of the ear canal, ensuring comprehensive ear hygiene.

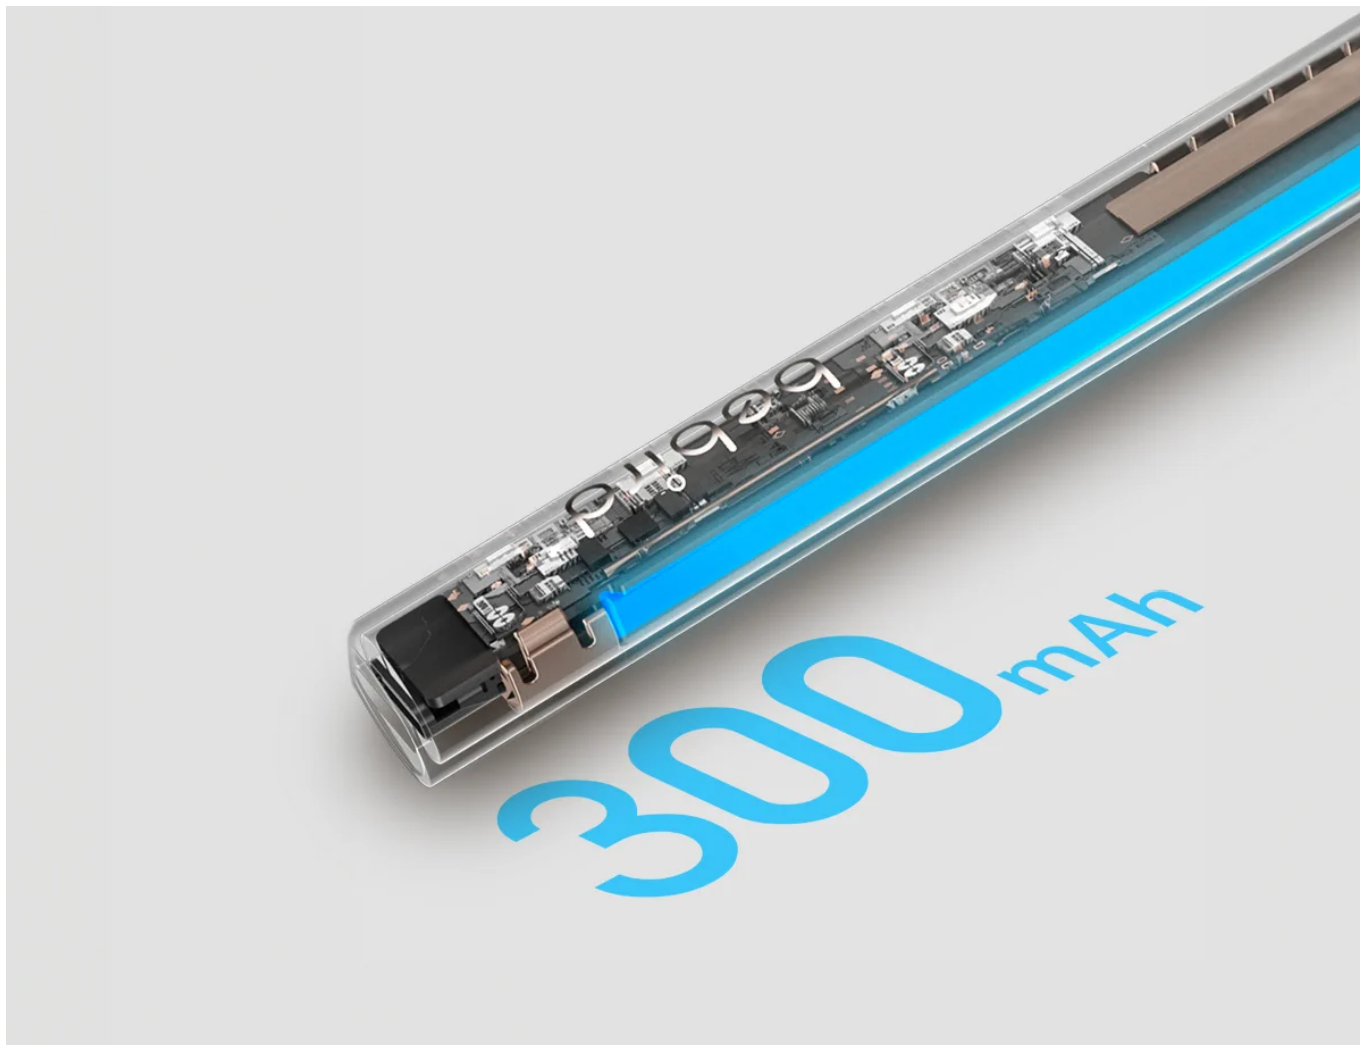

Durability and Comfort - Design You'll Appreciate

Bebird T15 is a combination of elegance and functionality. The body of the device made of **durable PC plastic with a pearl finish and UV coating** not only looks great, but also provides a comfortable grip. The metal lens tube made of aluminum guarantees **resistance to damage**, and **the compact size and low weight (only 23 g!)** make the otoscope extremely handy and easy to transport. You can take it with you anywhere - to work, on a trip or on vacation.

Long Run Time and Fast Charging - Hygiene Without Interruptions

Don't worry about sudden interruptions during cleaning! The Bebird T15's **powerful 300 mAh battery** provides **up to 75 minutes of continuous use** on a single charge. And when the energy runs out, a quick and convenient charge via **USB-C connector** will instantly bring the device back to full readiness. Ear hygiene - whenever you need it.

Comprehensive Accessory Kit - Everything You Need

Bebird T15 is not just an otoscope, it's a complete ear and skin hygiene kit. In an elegant package you will find a rich selection of accessories, including:

- **A variety of ear spoons:** A metal-silicone small spoon and a set of two-color spoons (small/large) provide comfort and effectiveness for each user.
- **Metal blackhead remover (pimple popper rod):** An additional feature for comprehensive skin care.
- **Disinfecting swab:** For ultimate hygiene.
- **Tip container:** Keeping accessories organized and easily stored.
- **Type-C charging cable:** Convenient and fast charging.
