Full product description

A swing that provides joy and relaxation

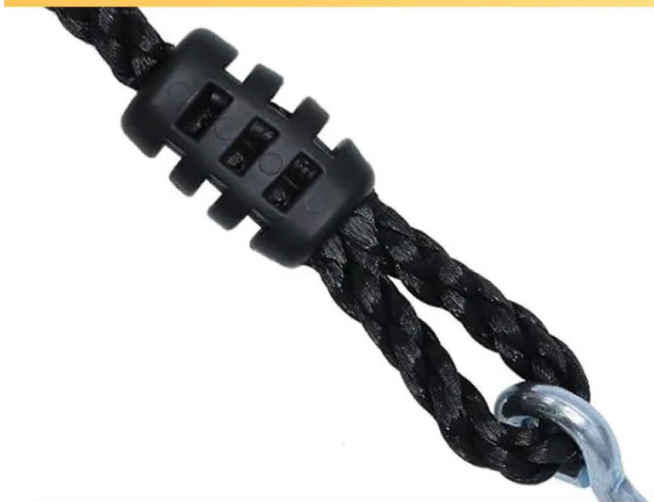

A modern round garden swing is the perfect way to enjoy time spent outdoors. Created with comfort and fun in mind, it will be perfect for your garden, terrace or other outdoor space. Its spacious design encourages free play, offering plenty of space for both children and adults looking for a moment of rest and relaxation.

Quick and easy assembly

The swing is assembled using the four included screws. Quick, easy, and safe.

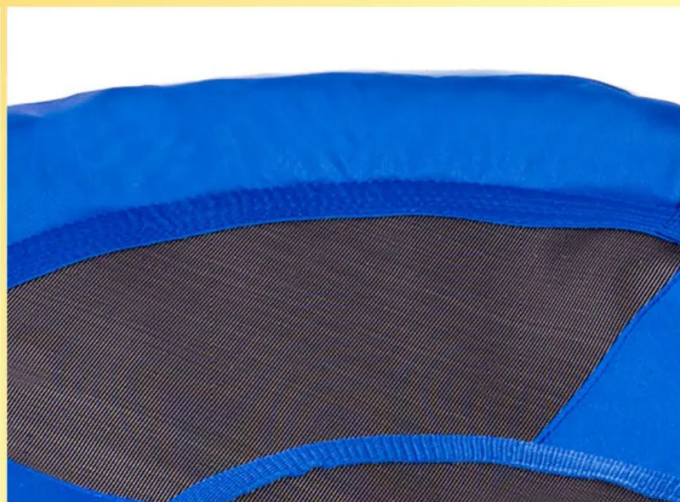

Flexible, adjustable height The height can be easily adjusted to the user's height using two sturdy metal clips.

Resilience

Durable ropes ensure safety and stability during use. Maximum load capacity: 150 kg.

Durable textile cover The material is waterproof, dirt-resistant and breathable, ensuring optimal comfort of use.

Safety and comfort first

Safety and stability are the key advantages of this swing. Made of high-quality, weather-resistant materials, it guarantees durability and year-round use. Strong ropes and durable seat fabric ensure safety and high comfort. The swing remains stable and serves for a long time, even with intensive use.

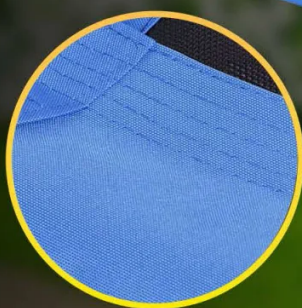

Perfect for playing together

The swing is perfect for shared moments outdoors. Children will love the freedom of rocking on its large, spacious surface, which encourages joint play and interaction. Such activity wonderfully promotes motor development, balance and coordination. The spacious design of the swing allows several people to use it comfortably at the same time, making it ideal for playing together in the garden.
