Information:

The elegant and functional hammock combines modern design with ease of use, making it a perfect fit for interiors, terraces and gardens. Made from high-quality materials, it ensures durability, comfort and a pleasant-to-the-touch finish. The spacious seat, soft cushions and the option to sit or lie down guarantee relaxation after an intense day. Simple assembly, secure fastening, a wooden frame and a rope system make it easy to hang, move and store. The neutral colour and subtle tassels make it easy to match with minimalist or boho styles.

Full product description

Elegant and functional hammock

This unique hammock is a combination of elegance and functionality, which fits perfectly into any interior. Made of high-quality materials, it provides durability and comfort. Thanks to its simple but modern design, it is perfect for both domestic and outdoor spaces. It is an excellent choice for those who appreciate aesthetics and convenience in one.

BRAZILIAN ARMCHAIR

Comfort, elegance and convenience

Breathable fabric

Durable components

Load capacity 150kg

Quick assembly

Easy storage

Machine washable

A comfortable place to relax

The hammock offers exceptional resting comfort thanks to its spacious seat and soft cushions that provide adequate support. Thanks to its design, the hammock allows you to sit or lie down comfortably, making it ideal for relaxing after a busy day. In addition, thanks to high-quality materials, the whole thing is pleasant to the touch, which makes relaxation even more enjoyable.

Quick and easy installation

Hammocks of this type are characterized by simple assembly. All you need is the right suspension and a stable attachment to quickly create a resting space. Thanks to the cord system and wooden frame, the hammock is not only safe, but also easy to carry and store when not in use. An ideal choice for those looking for a practical solution for their home or garden.

OUTDOOR

BALCONY

**IDEAL FOR INTERIOR DECORATION,
