Full product description

Convenience and Comfort in the Fresh Air

The hammock in natural shade is an ideal solution for relaxing in the open air. Its spaciousness (195 x 100 cm) provides a comfortable place to rest, and the soft material makes every moment spent in the hammock a real pleasure. Thanks to its design, the hammock can accommodate people weighing up to 200 kg, ensuring safety and comfort.

Ease of Assembly and Portability

The hammock is easy to install and can be hung anywhere that offers adequate space. It comes with two sturdy ropes that allow you to quickly and stably attach the hammock to a tree, pole or special stand. It is ideal for both a garden outing and an outdoor vacation.

Durability and High Quality of Materials

Made of sturdy fabric, the hammock is characterized by high resistance to abrasion, so it will serve you for a long time. Its construction based on strong strings ensures stability, and the attention to detail in the finish makes it weatherproof, which makes it perfect for outdoor use.

Multifunctionality and Stylish Design

With its minimalist design in natural color, the hammock fits a variety of styles - from modern to boho to classic arrangements. Its versatile use makes it perfect for use in the garden, on the terrace or during trips. Relaxing in such a hammock is not only comfortable, but also a stylish accent in the space.
