Its modern design combined with black material will fit into any space, providing comfort and an attractive look.

GARDEN FURNITURE SET

Easy assembly

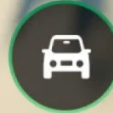

100% rustproof
frames rust-resistant

Seats made
of mesh
fabric

UV, rain and
moisture
resistant

Convenient
storage and
transport

Comfortable and practical furniture for any interior

The furniture was designed with comfort in mind. The seats of the armchairs and the table tops are made of durable textile material that is weatherproof, which ensures long-lasting use without loss of quality. The foldable design makes the furniture easy to store and move, making it extremely practical for everyday use.

COMFORT AND FUNCTIONALITY IN EVERY DETAIL

Robust construction provides adequate support for the body

Each element of the set has been designed for maximum comfort of use

Easy and quick assembly of the furniture

Powder-coated table on a steel construction - comfortable and easy to clean

Durability and resistance to external conditions

The furniture set is made of a sturdy powder-coated steel frame, which ensures its resistance to corrosion and mechanical damage. Thanks to the use of high-quality materials, the set is resistant to rain, UV radiation and changing weather conditions. The furniture retains its aesthetic appearance for a long time, even with intensive use in the garden or outdoors.

The set is resistant to uv radiation, rain and moisture, so it will retain its aesthetic appearance for many seasons

Easy installation and maintenance

The furniture is extremely easy to assemble and disassemble. With just a few simple steps, you can create a comfortable outdoor seating area. In addition, the textile material is easy to clean and maintain, making the set comfortable for daily use. Thanks to its lightweight design, the set can be easily moved, and is ideal for terraces, balconies and small garden spaces.

Folding function

Allows convenient storage and effortless transportation
