Full product description

Elegant Design in Every Detail

The beach umbrella in a warm shade of beige is an excellent choice for those looking for a subtle but functional addition to their recreation. Its classic form, finished with a white edge, gives the overall look elegance and fits any style, from modern to more traditional. Thanks to its minimalist design, the umbrella will blend in with both natural and more subdued surroundings.

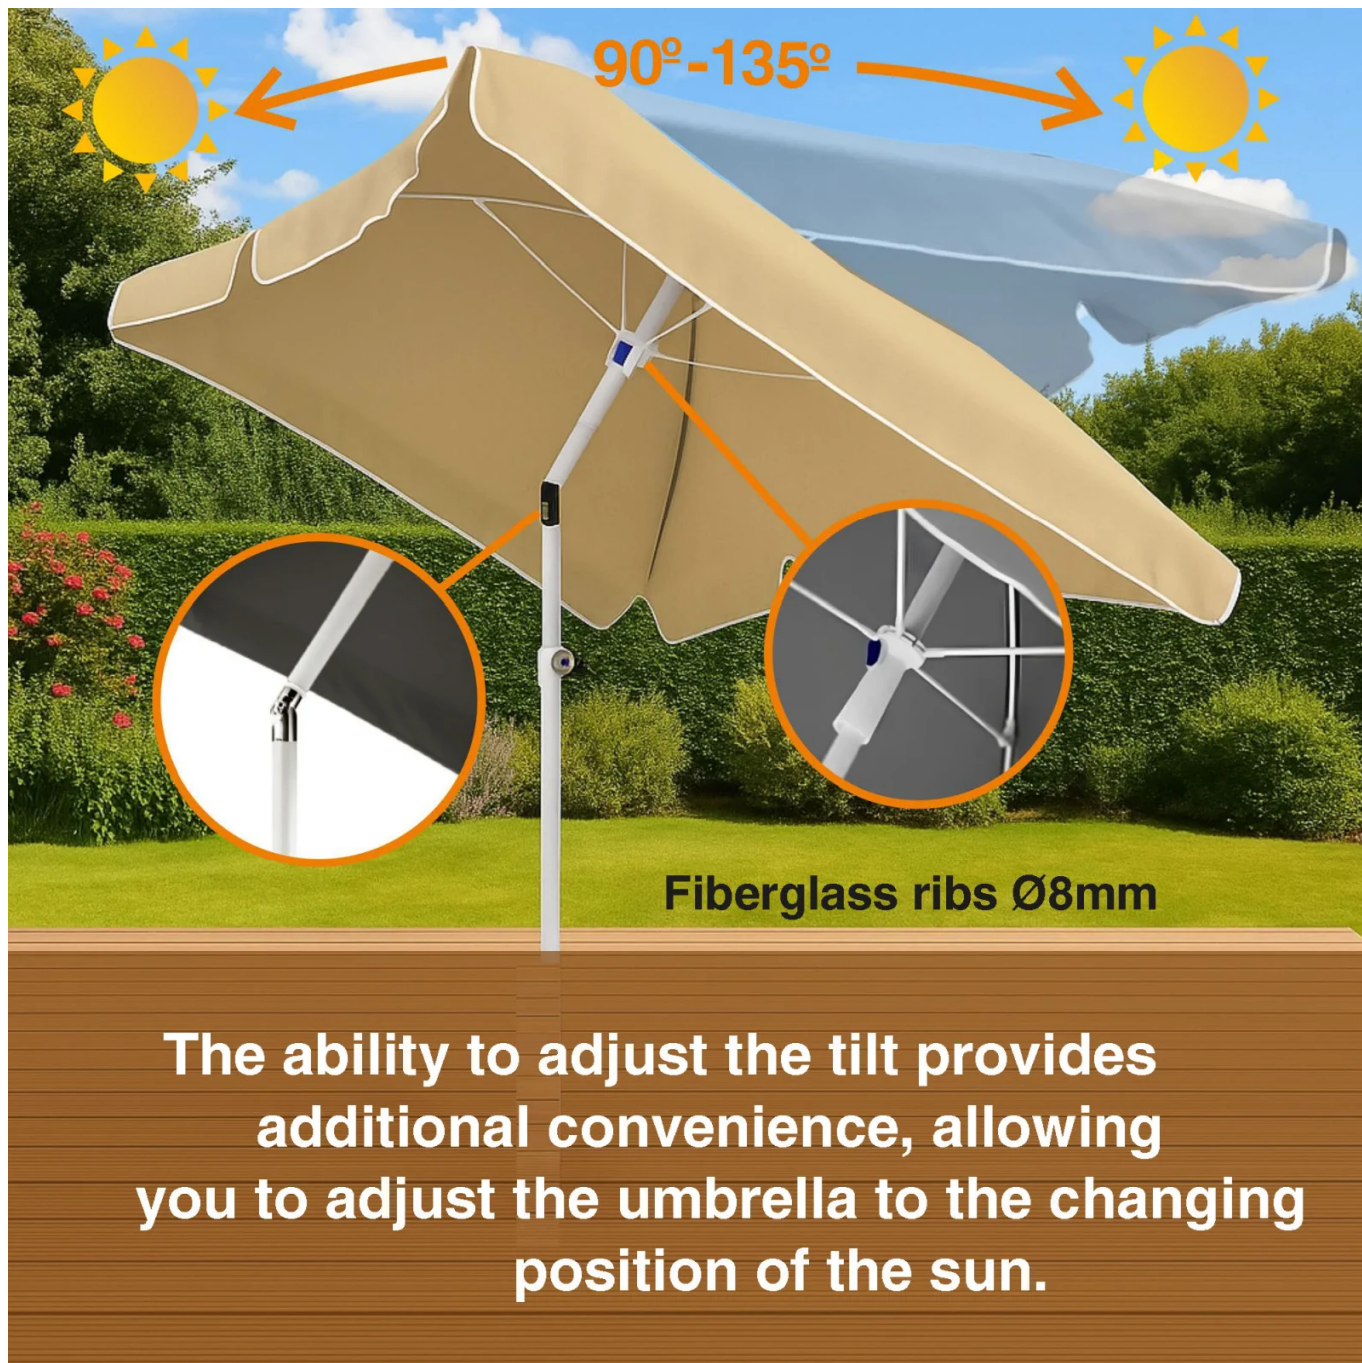

UV Protection and Convenience

The use of UV-resistant material provides full protection from the harmful effects of the sun. With this feature, the umbrella provides comfort throughout the day, protecting your skin from excessive sunlight. The ability to adjust the tilt provides additional convenience, allowing you to adjust the umbrella to the changing position of the sun.

Robust Design and Ease of Use

The umbrella is designed with durability and convenience in mind. The frame made of durable material and the easy unfolding system make the operation of the umbrella quick and simple. In addition, thanks to the height adjustment system, you can adjust it to your needs, providing you with the perfect conditions for relaxation.

Universal Application

The umbrella is perfect not only on the beach, but also in the garden or on the terrace. Thanks to its lightweight design, it is easy to carry, and when folded it takes up little space, making it convenient for transportation and storage. Choose an umbrella that combines functionality with elegance and works well in any situation.

Easy to store - Thanks to its lightweight construction, the umbrella is easy to carry and takes up little space when folded.

Height adjustment - thanks to the height adjustment system, you can easily adjust the umbrella to your needs, creating the perfect conditions for relaxation and protection from the sun.

140G Polyester - Lightweight yet strong and durable material that is well suited for sun and rain protection

The classic design of the umbrella with a white finish adds elegance, making it a perfect match for both modern and traditional styles.
