Full product description

Modern Design and Functionality

Beach umbrella in gray color with white accents is a combination of aesthetics and reliability. Its simple yet elegant form means that it will fit perfectly on the beach, in the garden or on the terrace. The clean lines and subtle color scheme allow the umbrella to easily match different styles of surroundings.

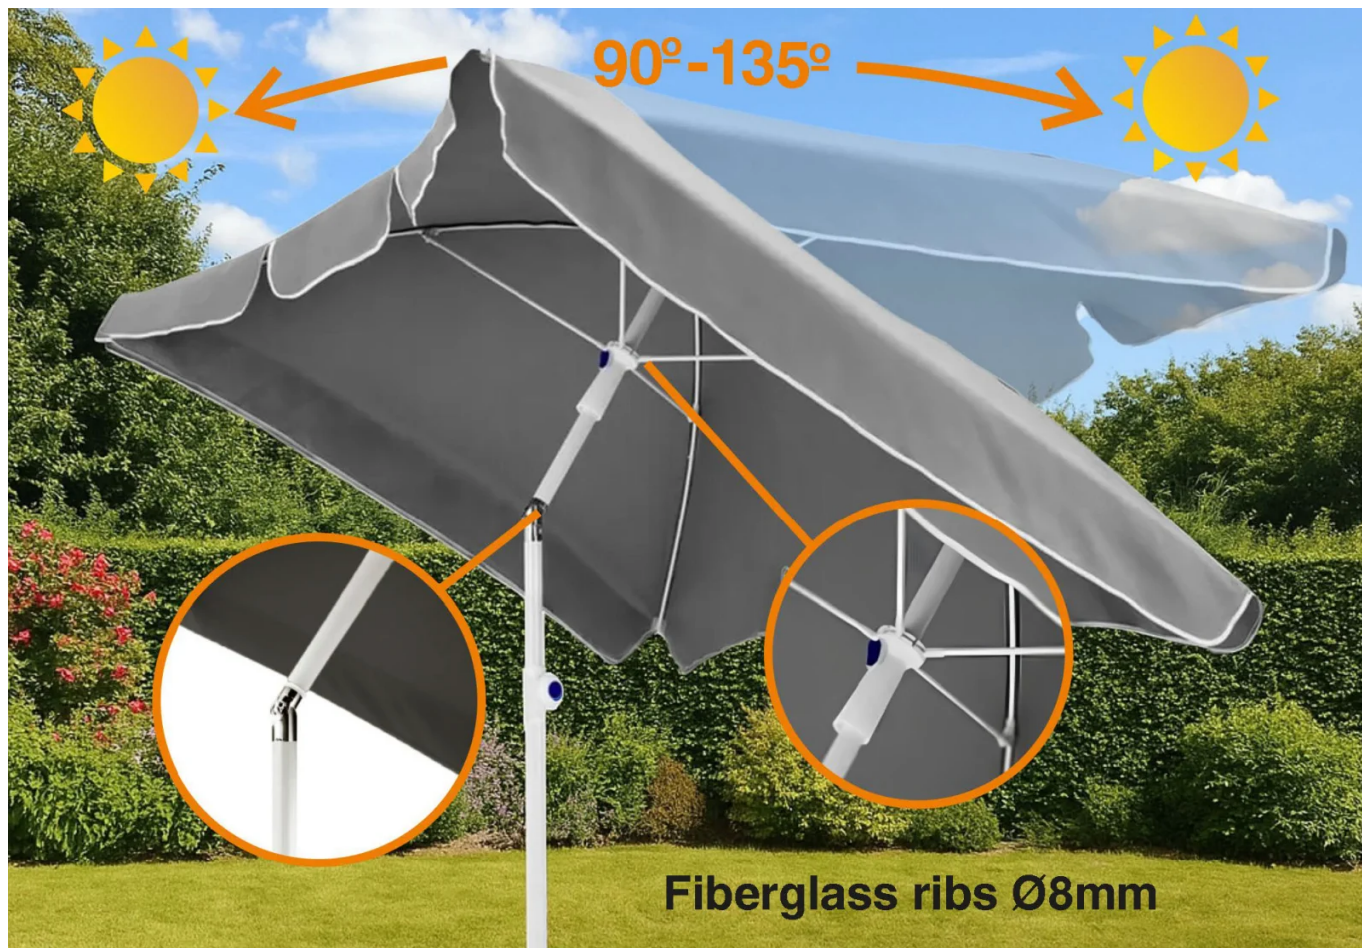

All Day Sun Protection

The high-quality material of the umbrella effectively protects against UV rays, providing comfortable protection in all conditions. With its adjustable angle, you can easily adjust the umbrella to the changing position of the sun, allowing you to enjoy shade all day long.

Robust Design and Ease of Use

The umbrella is designed for use in a variety of conditions. Its sturdy frame and easy unfolding system guarantee speed and convenience in any situation. Thanks to a special adjustment mechanism, it is possible to adjust the height of the umbrella, which gives even more freedom of use and better protection from the sun.

The ability to adjust the tilt provides additional convenience, allowing you to adjust the umbrella to the changing position of the sun.

Portability and Convenience

Thanks to its lightweight but sturdy design, the umbrella is easy to carry, making it ideal for trips to the beach, garden or picnic. It takes up little space when folded, making it easy to store and transport. Enjoy comfort and style without compromise!

The classic design of the umbrella with a white finish adds elegance, making it a perfect match for both modern and traditional styles.
