Easy Setup and Adjustment

The umbrella's modern mechanism allows it to be easily set up and adjusted. Thanks to the sturdy adjustable frame, you can adjust the umbrella to the changing angle of the sun's rays for optimal protection all day long.

Durability and High Quality of Materials

The use of high-quality materials ensures that the umbrella will serve you for many seasons. The durable material is UV-resistant, so it provides long-lasting protection without fading. The frame, made of lightweight but sturdy plastic, makes the umbrella easy to carry, yet stable in difficult conditions.

Universal Application

The umbrella is ideal not only for the beach, but also for all kinds of outdoor excursions. Thanks to its simple design and easy operation, it is also perfect for garden parties or as shade on hot days in the garden. It provides comfort and functionality in any situation, combining design with high quality.

Easy to store - Thanks to its lightweight construction, the umbrella is easy to carry and takes up little space when folded.

Height adjustment - thanks to the height adjustment system, you can easily adjust the umbrella to your needs, creating the perfect conditions for relaxation and protection from the sun.

140G Polyester - Lightweight yet strong and durable material that is well suited for sun and rain protection

The classic design of the umbrella with a white finish adds elegance, making it a perfect match for both modern and traditional styles.
