Full product description

Elegant Sun Protection

Our beach umbrella is a combination of elegance and functionality. Thanks to its simplicity and classic design, it will be ideal for those who value both aesthetics and convenience. The use of dark gray material combined with white accents makes the umbrella look stylish, and its neutral color fits into any beach setting.

Resistance to Outdoor Conditions

Designed for heavy use, the umbrella offers a sturdy construction. The reinforced frame and adequate fabric cover effectively protect against harmful UV rays. Regardless of the weather conditions, you can be sure that the umbrella will not fail during a hot day at the beach, providing comfortable protection from the sun.

Simple Operation and Easy Folding

The beach umbrella is designed for easy use. Thanks to a convenient folding and unfolding system, its assembly takes only a moment. The adjustable frame allows you to adjust the height of the umbrella to your individual needs, providing optimal protection depending on the angle of the sun.

Ideal for Beach and Garden Relaxation

Thanks to its lightweight design, the umbrella is ideal not only for the beach, but also for the terrace or garden. It can be easily moved to any place, and its sturdy construction guarantees that it will not be blown away by the wind. Choose our umbrella to enjoy complete comfort while relaxing outdoors!

Easy to store - Thanks to its lightweight construction, the umbrella is easy to carry and takes up little space when folded.

Height adjustment - Thanks to the height adjustment system, you can easily adjust the umbrella to your needs, creating the perfect conditions for relaxation and protection from the sun.

140G polyester - a lightweight but strong and durable material that is well suited to protection from the sun and rain

The classic design of the umbrella with a white finish adds to its elegance, making it a perfect match for both modern and traditional styles.
