Information:

Black Forest folding garden gazebo 3 × 3 m is a functional garden tent ideal for family gatherings, outdoor events, patios, allotments and trade fair stands. The spacious 300 × 300 cm area provides a comfortable place to relax, talk or display items. The pop-up design allows for quick assembly without the use of tools, while the steel frame increases stability. The waterproof material protects against sun and light rain, and the beige colour gives the whole structure an aesthetic, versatile look.

Full product description

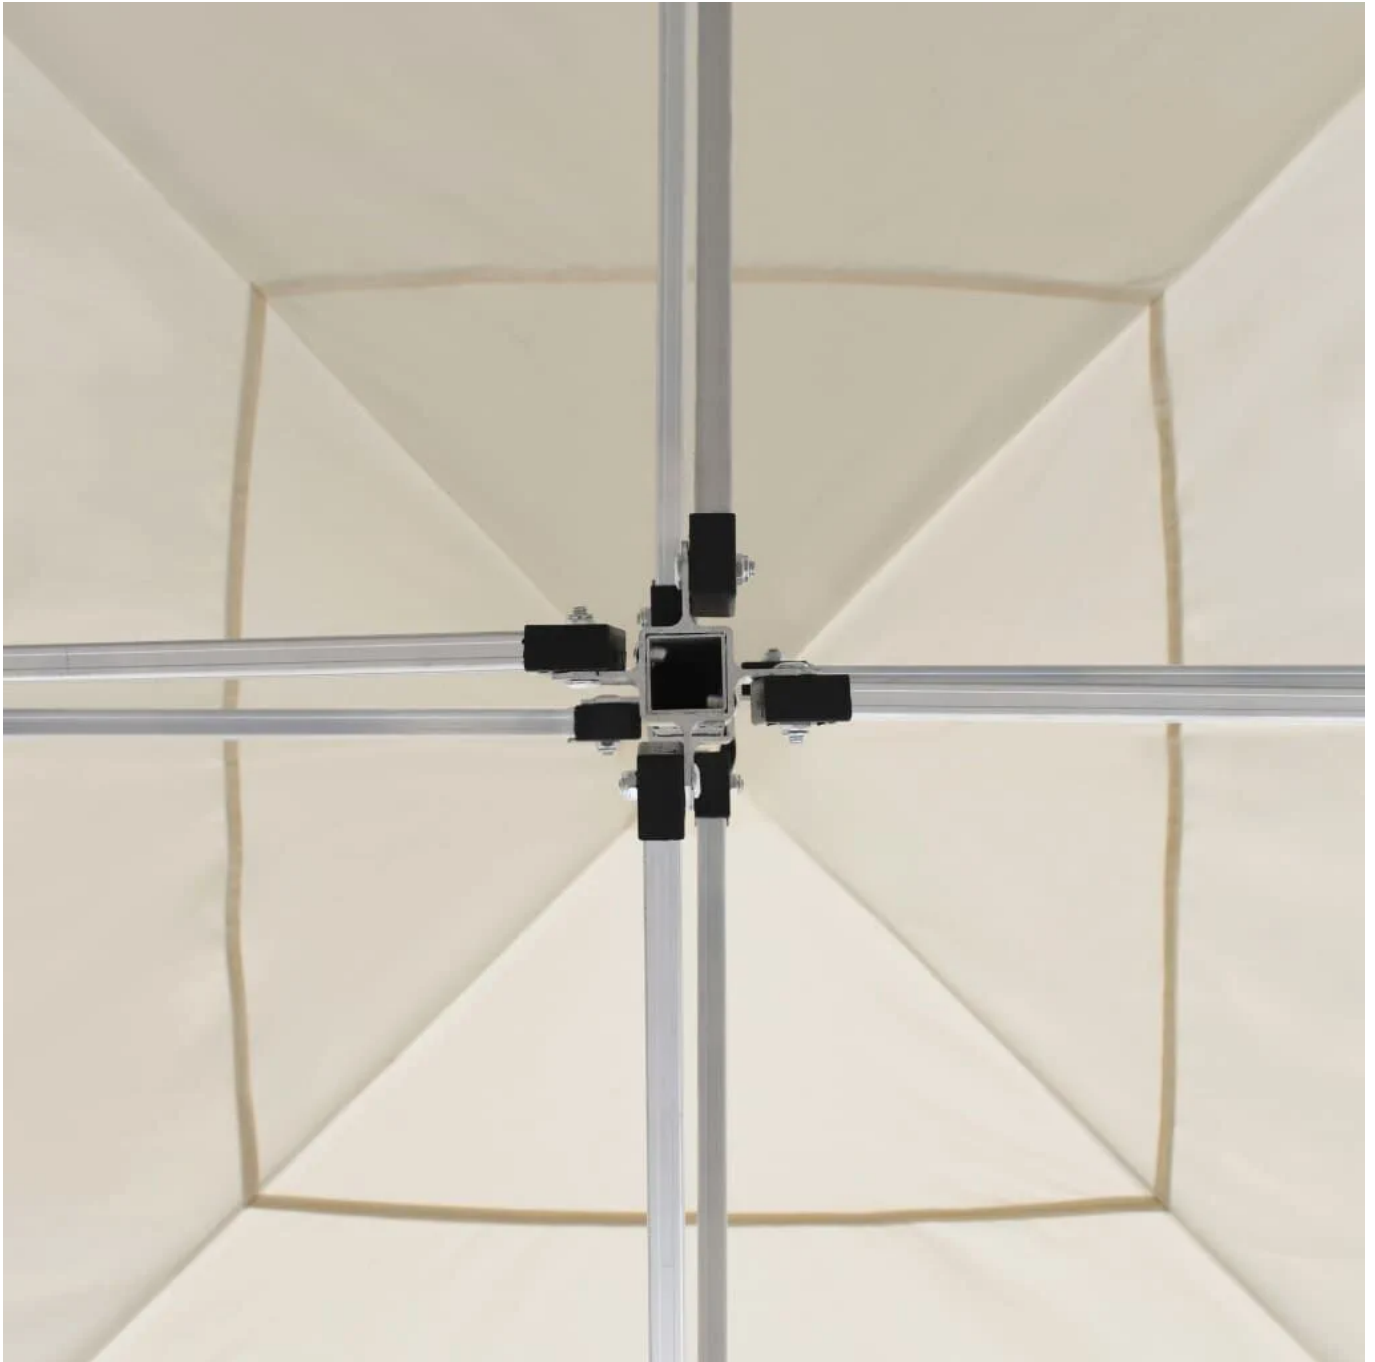

Multifunctional garden tent - protection and comfort

The elegant garden tent is a versatile solution, ideal for a variety of outdoor events. The spacious size (300 cm x 300 cm) provides a comfortable space for parties, family gatherings or trade show booths. With its universal neutral color, the tent blends harmoniously into any environment, creating a stylish and practical shelter from the sun and light rain.

Easy to install - ready to use in minutes

Assembly of this tent is extremely easy and fast. The pop-up design requires no tools, so it literally takes minutes to set up. It's ideal for events that require express space arrangement and for any garden party where every moment counts. The convenient folding and unfolding system makes it easy to transport and store.

Durability and weather resistance

The tent is designed for reliability in changing weather conditions. The durable, waterproof material and sturdy steel frame provide excellent stability and resilience, even in wind or rain. The tent effectively protects against rain and strong sun, guaranteeing comfortable shelter for a long time without fear of damage.

Stylish design - elegant outdoor space

The tent combines functionality with aesthetics. Its simple, elegant design adds class to any garden, terrace or event venue. High quality workmanship makes the tent look unique, creating an attractive space conducive to relaxation and successful meetings. It is an ideal choice for both intimate gatherings and larger outdoor events.
