Price: **472.94 zł** gross / 384.50 zł net

Manufacturer: CISCO

Referention number: DNXGFOQNLRMNIK

Product features

Storage relative humidity (H-H)	5 - 90%
Height	38.5 mm
Output voltage	54 V
LED indicators	LAN
Routing protocols	RIP-1
Firewall	Yes
Firewall security	SPI firewall, Port forwarding and triggering, Denial-of-Service prevention (DoS)
Width	170 mm
Depth	279.4 mm
Security algorithms	128-bit AES
Input current	1.67 A
Storage temperature (T-T)	-20 to 70 °C
Rack mounting	Yes
VPN tunnels quantity	20
IPv4 & IPv6 features	Dual stack IPv4/IPv6
Package weight	2775.99 g
Humidity measurement range	10 - 85%
Harmonized System (HS) code	85176990
VPN support	Client-to-gateway IPsec VPN, IPsec VPN, PPTP VPN, OpenVPN, VPN pass-through
Networking standards	IEEE 802.1p
Ethernet LAN (RJ-45) ports	8

DC-in jack	Yes
Serial ports quantity	1
Country of origin	China
Plug and Play	Yes
Performance	0.8 Gb/s
Operating temperature (T-T)	0 - 40 °C
Package depth	453.898 mm
Package height	106.934 mm
Safety	UL 60950-1, CAN/CSA-C22.2 No. 60950-1, IEC 60950-1, EN 60950-1, FCC Part 15.247, 15.407, RSS-210, EN 300.328, EN 301.893, AS/NZS 4268.2003, FCC Part 15.107, FCC Part 15.109, ICES-003, EN 301.489-1, EN 301.489-17
Package width	261.874 mm
Cabling technology	10/100/1000Base-T(X)
Quality of Service (QoS) support	Yes
Package type	Box
Ethernet interface type	Gigabit Ethernet
VLAN support	Yes
Management protocols	SNMP
Firmware upgradeable	Yes
Web-based management	Yes
On/off switch	Yes
Operating system installed	Linux
Power over Ethernet (PoE) ports quantity	4
Power over Ethernet (PoE)	Yes
Combo SFP ports quantity	1
System event log	Yes
SIM card slot	No
Power source type	DC
Product colour	Black
Guest access	Yes
Network address translation (NAT)	Yes
Access Control List (ACL)	Yes
Link layer protocols	L2TP
DoS attack prevention	Yes
DMZ support	Yes
Supported protocols	PPPoE, PPTP, IGMP, RSTP, DynDNS, No-IP, ChangelP, NAT, PAT
Ethernet WAN	Yes
Port forwarding	Yes
Multicast support	Yes
Static route	Yes
DHCP client	Yes
DHCP server	Yes
3G/4G USB modem compatibility	No
DSL WAN	No
Product weight	1260.14 g

Full product description

Cisco RV260P-K9-G5 is the perfect solution for small businesses

Cisco RV260P-K9-G5 is a business-class router that complements the series of devices dedicated to small businesses. This router is equipped with **10/100/1000Base-T(X)** cabling technology that ensures data transfer speed of **1000Mbps**. Cisco RV260P-K9-G5 is also equipped with 8 Ethernet LAN ports (RJ-45) (4 PoE ports), 1 USB type 2.0 port, one WAN port (RJ45 WAN port or SFP) and DC output socket.

Performance, flexibility and security - in one router

The Cisco RV260P is an excellent choice for businesses that need a combination of **performance, security, reliability, and flexibility**. With a single Gigabit Ethernet WAN port, as well as **3G / 4G** connectivity, you can connect to multiple service providers for a powerful load-balancing network. And with a proven **SPI firewall** and **hardware encryption**, you are assured of business-class security.

Simple configuration

With an intuitive browser-based **device manager and setup wizard**, it only takes a few minutes to set up the device to your needs. The product also **manages large files** with ease, keeping your employees productive at the same high level.

A secure network for employees

Your business and its employees are vulnerable to phishing, keyloggers, spyware, drive-by malware and other online threats. With new models with **web filtering**, you can protect your employees and users from unwanted content. You'll eliminate unwanted web traffic, **increase productivity** and **automatically** protect against malicious websites.

The heart of your business

Network connectivity is the heart of any small business, and **secure access, firewall, and high performance** are the foundation of every Cisco® Small Business RV Series router. The Cisco RV260P router is no exception. It features intuitive user interfaces so it's up and **running in just minutes**. This powerful router provides reliable, **highly secure** connectivity for you and your employees.
