Full product description

Performance you can count on

Increase your daily productivity with this reliable wireless keyboard and mouse kit. The kit's wireless connection easily connects to your Dell computer. **Long-lasting battery life:** 36 months for the keyboard and 18 months for the mouse. And **spill-resistant keys** with a coating that prevents letters and numbers from rubbing off for long periods of time, enhancing your working comfort.

Essential productivity

This full-size **Dell keyboard** enhances productivity with hot keys, multimedia keys and a convenient number pad. Tilting feet on the keyboard give you the flexibility to adjust to the most comfortable typing position. **The mouse's 1000 DPI sensitivity** makes navigating the system easier with three buttons and a scroll wheel.
