Full product description

Performing many tasks will now become much easier, all thanks to **a stylish, comfortable keyboard and a great quality mouse**. The battery life is **up to 36 months**.

Performing multiple tasks at once

Seamlessly connect up to **3 devices**. There are **two types of** connectivity, 2.4 GHz radio and Bluetooth 5.0 allow you to switch seamlessly between devices using the connection mode key or the key on the keyboard and mouse.

Stylish design

A precision-made, quiet keyboard that is slim, stylish and elegantly finished in **Titan Gray color** scheme . The mouse is perfectly contoured and fits perfectly in your hand, so you can use it comfortably all day long. Adjustable, tiltable legs will allow you to position the keyboard in the perfect position for comfortable work.

High-level security

The Dell Premier: Wireless Keyboard and Mouse Set not only features a battery **life of up to 36 months**, one of the best in the industry, but has also been rigorously tested to work seamlessly with **Dell** systems. The keyboard ensures secure data transmission between computers and devices with **128-bit Advanced Encryption Standard (AES) encryption technology** , which provides a secure connection while typing.

Personalization to make any task easier

All you need is **12 programmable keys** on the keyboard and **5 programmable keys** on the mouse. You can work efficiently with a full-size keyboard with a separate numeric keypad, special function keys and presets.
