Full product description

Denver brand tablet for kids

Denver introduces its latest tablet for kids, designed to keep the little ones entertained while giving them access to educational content and safe web browsing. The tablet has **full access to the Google Playstore**, so your child can download and explore a variety of apps and games.

Key features of Denver TAQ-10383K tablet for kids

- Android 8.1GO tablet with special software for children Kido'z
- 10.1" 16:9 capacitive touchscreen
- 1.2 GHZ Quad Core CPU and 1GB DDR3 ram
- 16GB internal memory for apps, music, etc. MicroSD card slot
- WI-FI 802.11 b/g/n
- Full access to Google Playstore
- Front camera (2 Mpx interpolated)
- Built-in rechargeable battery
- Includes 2 x boomers: 1 blue 1 x pink

Built-in front camera and high-speed Wi-Fi

With **the front camera**, your child can take selfies, make video calls and capture special moments. Equipped with **WI-FI 802.11 b/g/n**, the tablet provides a stable and fast Internet connection, so your child can easily enjoy online content.

Large amount of internal memory and a slot for MicroSD memory cards

With **16GB of internal memory**, the tablet has enough space to store all your child's favorite apps, photos and videos. In addition, **a MicroSD card slot** gives you the option to expand the storage capacity.

High performance and excellent 10.1 inch screen

The tablet is equipped with a powerful **Quad Core 1.2 GHZ processor and 1GB DDR3 RAM** for fast and efficient performance. **The 10.1-inch** touchscreen with a resolution of 1024x600 pixels, provides a clear and vivid image, ideal for watching movies and playing games.

Android 8.1GO with Kido'z baby software

Running on **Android 8.1GO** with special **Kido'z children's software**, this tablet is designed to provide a safe and enjoyable experience for your child. The Kido'z software provides a kid-friendly interface, parental controls and a selection of educational content, making it the perfect device for your child's entertainment and learning.

The perfect gift for your child

The children's tablet is a fantastic choice for parents who want to provide their children with a **safe and enjoyable online experience**. Full access to the Google Playstore, front-facing camera, WI-FI 802.11 b/g/n, 16GB of internal memory, MicroSD card slot, powerful processor and RAM, 10.1" touchscreen, and special Kido'z children's software make this tablet a great investment in your child's development and entertainment.
