Information:

DIXIX Travel Lady Trimmer DLT1100 is a compact, peach-coloured trimmer for trimming body hair, ideal for home and travel. Thanks to its small size, it fits easily into a cosmetic bag or handbag, and the ergonomic housing ensures a comfortable grip. The double-sided cutting system with two rows of blades enables efficient shaving in different directions and makes daily grooming easier. The trimmer is suitable for the arms, legs, underarms and bikini area. The device runs on one AA battery and does not require a cable or charging. Intended for dry use.

Full product description

Compact care

DIXIX Travel Lady Trimmer DLT1100 is a peach-coloured trimmer designed for trimming body hair. Its small housing makes the device easy to store in the bathroom, make-up bag or handbag, so it can accompany the user at home and while travelling.

Double-sided cutting system

The head uses two rows of fine cutting elements arranged on both sides. The double-sided design allows the trimmer to be guided in different directions, improving hair trimming during everyday care.

For different parts of the body

The trimmer can be used to trim hair on the arms, legs, underarms and bikini area. The compact head makes it easier to guide the device over smaller areas and allows convenient control of the direction of movement.

Ergonomic shape

The contoured housing makes it easier to hold the device steadily while trimming. The DLT1100 model is designed for dry use and should not be washed under running water, so after use it should be cleaned in accordance with the operating instructions.

Powered by one AA battery

Powered by one AA battery, the trimmer can be used without a cable or prior charging. Its dimensions of approximately 77 × 50 × 25 mm and weight of approximately 91 g make it easy to carry in a make-up bag or travel luggage. The AA battery is not included.
