Information:

DIXIX Travel Lady Trimmer DLT1100 is a compact purple trimmer for trimming body hair, ideal for use at home and while travelling. The double-sided cutting system with two rows of fine elements allows the device to be guided comfortably in different directions, making daily grooming easier. It is suitable for the arms, legs, underarms and bikini area. The ergonomic housing ensures a secure grip, and the small size and lightweight design make it easy to store in a toiletry bag or case. The trimmer runs on one AA battery, which is not included.

Full product description

Compact care

DIXIX Travel Lady Trimmer DLT1100 is a purple trimmer designed for trimming body hair. Its small casing makes the device easy to store in the bathroom, a cosmetics bag or a handbag, so it can be used both at home and while travelling.

Double-sided cutting system

The head uses two rows of small cutting elements arranged on both sides. The double-sided design allows the trimmer to be guided in different directions, improving hair trimming during everyday care.

For different parts of the body

The trimmer can be used to trim hair on the arms, legs, underarms and bikini area. The compact head makes it easier to guide the device over smaller areas and allows convenient control of the direction of movement.

Ergonomic shape

The contoured casing makes it easier to hold the device steadily while trimming. The DLT1100 model is designed for dry use and should not be washed under running water, so after use it should be cleaned in accordance with the user manual.

Powered by one AA battery

Powered by one AA battery, the trimmer can be used without a cable or prior charging. Its dimensions of approximately 77 × 50 × 25 mm and weight of approximately 91 g make it easy to carry in a cosmetics bag or travel luggage. The AA battery is not included.
