Full product description

Emerio AC-123282 White air conditioner alternative for your Home

Cooling, ventilation and comfort are the key advantages of **the Emerio AC-123282 air conditioner in white**. Using special ice cartridges, this portable air cooler **is a great alternative to traditional air conditioners**. With three different operating speeds, it allows you to

accurately adjust the flow of cool air to suit your individual needs. It is **environmentally friendly and easy to use**, making it ideal for any home or office, providing comfortable conditions even on the hottest days.

Technical Specifications

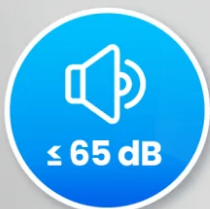

The Emerio AC-123282 air conditioner is CE environmentally certified for sustainability. It operates at a frequency of 50 Hz and a voltage of 220 - 240 V. The unit is equipped with an air filter, which takes care of the purity and freshness of the incoming air. Thanks to the ventilation function, the air conditioner provides excellent cooling, significantly increasing user comfort.

A functional and stylish

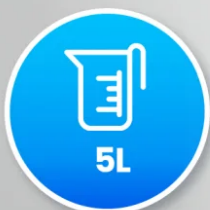

air conditioner that provides effective cooling and humidifying of the air in your home.

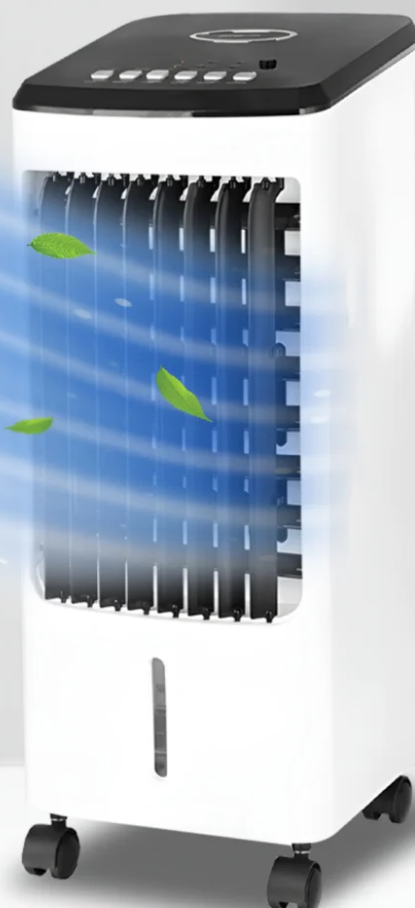

Power: 65W

**Noise level:
≤ 65 dB**

**Water Tank Capacity:
5 litres**

Elegant Design and Mobility

The Emerio AC-123282 air conditioner is distinguished by its white, **elegant design that blends perfectly with any interior**, giving it a modern look. Thanks to its portability and equipped with wheels and handles, the unit can be easily moved. **In addition, the remote control allows for convenient operation without having to get up from the couch.**

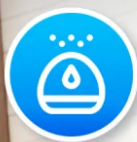

Remote control

A remote control is included to conveniently manage all air conditioner functions from anywhere in the room.

Usability Features

The Emerio AC-123282 air conditioner offers a number of features that make it more convenient to use. The indicator light shows the operating status of the device, and the timer allows you to set the operating time according to your personal preferences. The comfortable sleep mode ensures quiet operation at night, **allowing undisturbed rest.**
