Full product description

Cool and Fresh Air in Every Place

On hot days, everyone is looking for a way to cool down. The **Emerio FN-114202 table fan in white** is the perfect solution to give you a cool and fresh breeze wherever you are. You can easily place it on your desk, bedside table or anywhere in your home or office, thanks to its compact size and sleek design.

Desk fan

3 blades

Tilt angle adjustment

3 speed modes

Propeller diameter 30cm

Compact size

40W motor power

Three Speed Settings for Complete Comfort

Offering **3 speed settings**, the Emerio FN-114202 fan allows you to customize the intensity of the blowing. Whether you need a gentle breeze or a strong wind, this device will meet your needs. With this feature, **you have full control over the climate in your environment.**

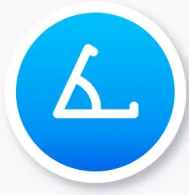

3 speed levels

Ability to set the speed according to your needs.

Automatic Oscillation and Tilt Adjustment

In addition, the **automatic oscillation function** ensures even air distribution in the room, and **the ability to adjust the tilt** allows you to direct the airflow exactly where you need it. These advanced features make the Emerio FN-114202 fan extremely effective and versatile.

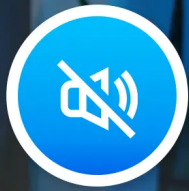

Adjustable tilt angle

Adjustable, allowing you to direct air up or down.

Simple Operation and Easy Maintenance

Easy to operate with intuitive control buttons, the Emerio FN-114202 fan is also **easy to maintain**. Regular cleaning of the blades is all that is needed to keep the unit running efficiently for a long time. The **small package size and weight** allow the fan to be easily stored during the off-season.

Quiet fan operation

The fan is equipped with 3 blades that provide strong air-flow while making no noise.

Compact and Elegant Design

The **Emerio FN-114202 desk fan** is a combination of functionality and aesthetics. Its **modern white design** blends in perfectly with any interior, adding elegance and style. Its **compact dimensions** make it ideal for any room, without taking up too much space.

Compact fan size

The compact size of the fan makes it ideal for smaller spaces.

30cm
