Full product description

The perfect solution for hot days

On hot days we are looking for the best solutions to keep us cool and fresh air indoors. **Emerio FN-114204 standing fan** is an efficient and elegant device that will meet the expectations of even the most demanding users. Thanks to its **reliability and functionality**, it will become an indispensable element of your home or office.

EMERIO

Standing fan

3 blades

Adjustable height

Tilt angle adjustment

3 speed modes

Propeller diameter 40cm

Powerful motor for continuous operation

45W motor power

Tilt angle adjustment

Stylish design and compact size

Its **white, classic design** blends perfectly with a variety of interiors, adding elegance. **The compact size** allows the fan to be placed anywhere without worrying about taking up too much space. Emerio FN-114204 not only looks great, but also performs perfectly.

Stable Base

Designed with stability in mind, the Emerio FN-114204 has a sturdy base that prevents the unit from accidentally tipping over during operation. The safety of use is thus significantly increased.

Efficient cooling and speed control

The Emerio FN-114204 fan is equipped with **three blades** that efficiently distribute air throughout the room. With **three available speed settings**, you can adjust the intensity of the blowing to suit your needs. Whether you need a gentle breeze or stronger cooling, this fan will meet your needs.

The Emerio FN-114204 fan offers three speed settings, allowing you to adjust the intensity of the airflow to the individuality of your needs. This allows for both gentle cooling and intense airflow on particularly hot days.

Medium

High

Automatic oscillation function

One of the key features of this fan is the **automatic oscillation function**, which ensures even distribution of cool air throughout the room. As a result, no matter where you are, **you can enjoy pleasant coolness**.

Versatile application

Easy and convenient operation

Simple operation with intuitive buttons makes using the Emerio fan extremely easy and convenient. You don't need to waste time on complicated settings - **just one press** to enjoy fresh air.

Ease of operation

The fan is equipped with a simple control panel located on the housing, which makes it easy to quickly change settings without having to delve too deeply into operating instructions.

Energy efficiency

The **45-watt power** guarantees effective cooling while being energy efficient. Thus, Emerio FN-114204 not only takes care of your comfort, but also your electricity bills.

Comfort in hot weather

The Emerio FN-114204 standing fan is **the perfect combination of performance, elegance and functionality**. Its stylish design, effective cooling, oscillation function and easy operation make it a product worth having in your home or office. Ensure your comfort on hot days with the Emerio FN-114204 fan.

Quiet operation of the fan

The fan is equipped with 3 blades, which provide strong airflow while making no noise.
