Full product description

Excellent air circulation with Emerio FN-114474 fan

Cool down on hot days with the **Emerio FN-114474 floor fan**. It will provide excellent airflow in your home and bring refreshment. **This floor fan, with a diameter of 40 cm**, is ideal for larger rooms such as the living room, bedroom, kitchen, children's room or office. **With it, you can enjoy the optimal temperature at all times.**

Three speed levels for your convenience

The **Emerio FN-114474 fan** offers **three levels of speed** that you adjust to suit your needs. The first level provides a light breeze ideal for nighttime use, the second level, reminiscent of natural wind, is suitable for everyday use, and the third level allows you to quickly cool the room. **Speed selection is easy with intuitive buttons, making it extremely convenient to use the fan.**

Tilt angle adjustment and rotation function

Customize your **Emerio FN-114474 floor fan** **with its vertically adjustable angle**. In addition, the horizontal rotation feature ensures that a cool breeze will reach every spot in the room, **providing comfort and relief on hot days.**

Portable and convenient to use

The **Emerio FN-114474 fan** was designed with user convenience in mind. The ergonomic handle on top of the unit allows you to easily move the fan from room to room, making it ideal for the home and office. **This allows you to enjoy pleasant coolness where you need it most.**
