Full product description

Your reliable charging companion

Meet the **Eveready PX30B**, a powerbank with a capacity of **as much as 30000 mAh** that will meet the needs of the most demanding users. With this model, you can connect several devices to it at the same time and not worry about running out of power at crucial moments. With a carbon-fiber-patterned casing, it's an extremely stylish and durable accessory that you'll take almost anywhere - to work, on a trip or on vacation.

Impressive capacity of 30000 mAh

Eveready PX30B is a **30000 mAh 2x USB-A powerbank** that allows you to charge your mobile devices multiple times. Thanks to its large capacity, you can charge your smartphones, tablets or other devices throughout the day without worry. It's the perfect choice if you need a reliable source of energy on the go or during a busy workday.

Versatility with two USB-A ports

Equipped with **2 USB-A ports**, the **Eveready PX30B** allows you to charge several devices simultaneously. With a 5V/2A output, power transfer is fast and efficient. Whether you're using your phone, headphones or other gadgets, you can connect them simultaneously and enjoy the convenience of use. **The carbon fiber-patterned case** is an extremely stylish and durable design, which makes the powerbank look modern and sturdy

Stylish design and robust construction

The **Eveready PX30B** features a modern **carbon fiber** design, which not only adds elegance, but also provides greater resistance to scratches and damage. Thanks to its compact and sturdy casing, the powerbank is perfect for both everyday use and extreme travel. Its **ergonomic shape** makes it comfortable in the hand, and its lightweight design allows for easy storage in a bag or backpack.
