Information:

The Extralink 12U 600 × 450 rack cabinet is a solid 19-inch wall-mounted cabinet for offices, server rooms and CCTV installations. Made of cold-rolled steel, it provides a durable and reliable construction with a welded frame and the option of wall mounting or floor-standing installation. The full sheet-metal doors can be opened to the left or right, and the opening angle exceeds 180°. Removable side panels make access easier, and locks and keys are included. The cabinet is marked with a 12U height, has an overall height of 64 cm, cable entry openings at the top and bottom, and 2 fan mounting positions for improved cooling.

Full product description

EXTRALINK 12U 600X450 rack cabinet with tin doors

The **Extralink** rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The external walls are made of cold-rolled steel sheet. The doors can be opened to the left or right side.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

Vertical rails have a corresponding height designation, which is **12U (unit)**. The total height of the cabinet is **64 cm**.

Easy removal of side walls

Snap fasteners on the side walls allow for their disassembly. **Locks and keys are included.**

Professional locking rack cabinet

Protection, order and aesthetics in one. Perfect for organising home spaces, offices and server rooms.

Ceiling adapted to the installation of fans

On the ceiling of the cabinet there are **2 places to install fans** for better cooling of the devices and **additional conduit** for pulling out cables.

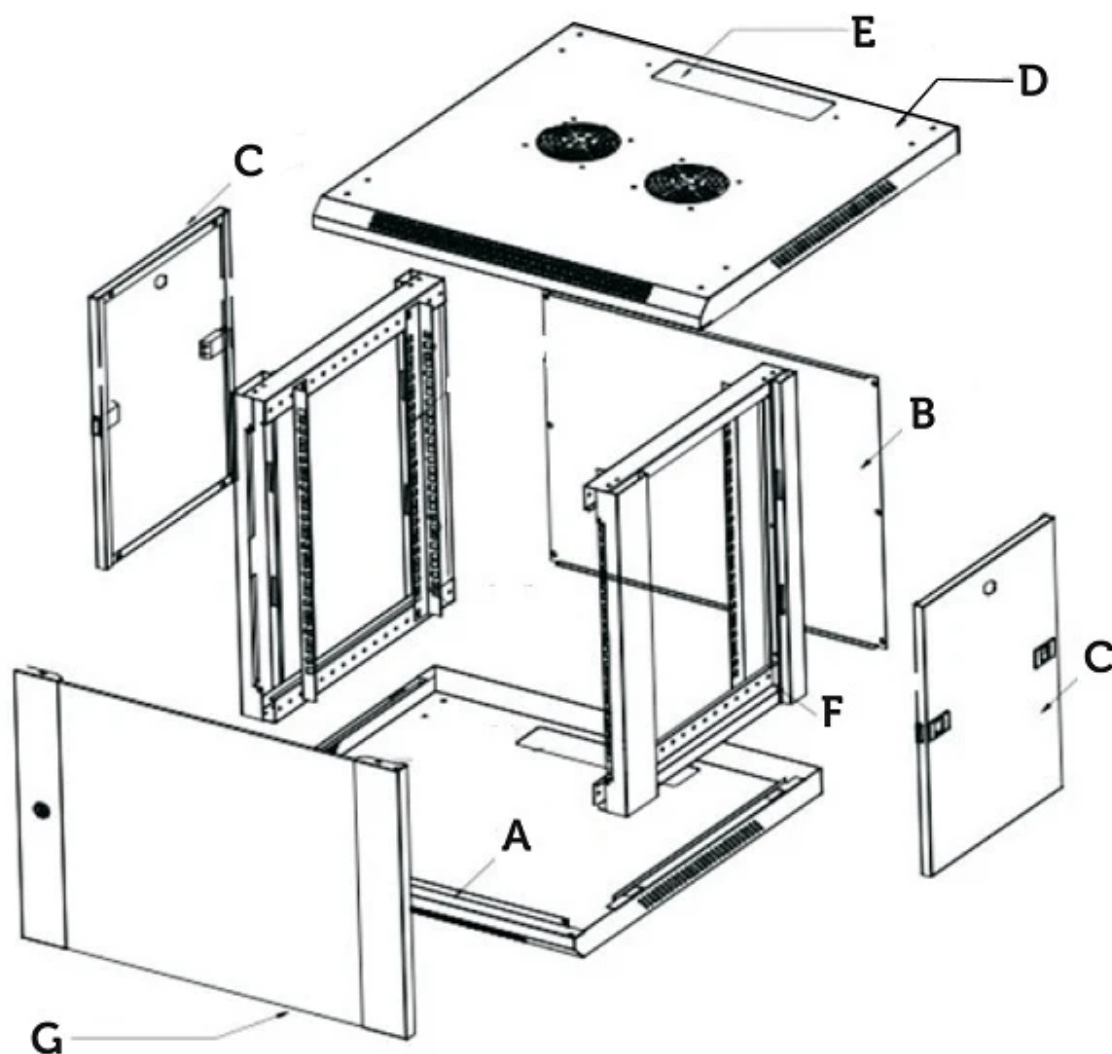

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Wardrobe construction:

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
- E – Otwór na kable
- F – Rama

Features:

- Standard 19" mounting, welded frame, reliable design
- The frame structure is prepared for self-assembly, thus it is easy to move and transport, reducing shipping costs
- Standing/Wall Mounting
- Easy installation (patent)
- Removable side panels
- Holes for cable entry on both the top cover and the bottom panel
- The door opening angle exceeds 180 degrees
