Information:

The Extralink 12U rack cabinet, in grey, is the perfect solution for wall mounting in offices, server rooms, and for CCTV systems. Made from cold-rolled steel, it features front doors made of tempered glass that can be opened to the left or right. Equipped with marked vertical rails, it has an overall height of 64 cm. The removable side panels facilitate disassembly, and locks and keys are included in the set. The ceiling is designed with spaces for fans, ensuring better cooling for the devices, while an additional grommet aids in cable management. The cabinet has standard 19" mounting, a welded frame, and can be mounted both on the wall and in a standing position. Its construction is easy to transport, which reduces shipping costs.
