Price: **599.00 zł** gross / 486.99 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFMLHRMMLJ

Information:

The Extralink AZH 12U 600×600 two-section rack cabinet is a solid 19-inch cabinet for wall mounting or floor standing, ideal for offices, server rooms and CCTV installations. Made of cold-rolled steel, it has a front door of tempered glass that can be opened from the left or right at an angle of over 180°. The two-section design provides convenient rear access to the equipment, and the removable side panels make servicing easier. The cabinet offers a marked height of 12U, space for 2 fans in the roof, additional cable entry points and cable openings in the top and bottom sections. The frame can be easily assembled, which makes transport easier and reduces shipping costs.

Full product description

EXTRALINK brand two-section rack - AZH, 12U, 600 × 600

The two-section **rack cabinet from Extralink** is designed for wall mounting in offices, network server rooms and CCTV control rooms. The outer walls are made of cold-rolled steel sheet. Equipped with a pane of tempered glass, the front door can open to the left or right side. The cabinet's two-section design facilitates access from the rear to installed components.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

The vertical rails have the appropriate height marking, which is **12U (from unit)**, while the total height of the cabinet is **64 cm**.

Professional locking rack cabinet

Protection, order and aesthetics in one. Perfect for organising home spaces, offices and server rooms.

Easy disassembly of side walls

The latches on the side walls allow for removal. **Locks and keys are included.**

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

The ceiling of the cabinet adapted for the installation of fans

On the ceiling of the cabinet are prepared **2 places for installing fans** for better cooling of equipment, there are also placed **2 additional grommets** for cable pulling.
