Information:

The Extralink 12U 600x600 rack cabinet in black is a practical and aesthetically pleasing solution for organising network, server and CCTV equipment in an office, server room or technical room. Wall mounting saves space, while the solid welded construction with removable side panels ensures durability and ease of use. The front doors made of tempered glass with a key lock increase the security of the devices. Cable entry points, ventilation and easy assembly with a complete set of screws make installation and everyday use simple and comfortable.

Full product description

EXTRALINK brand black rack cabinet - 12U, 600 × 600

Extralink rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. External walls are made of cold rolled steel sheet. Equipped with tempered glass front door can open to left or right side.

Clearly marked cabinet height

The vertical rails are marked with the corresponding height, which is **12U (from unit)**, while the total height of the cabinet is **64 cm**.

Professional locking rack cabinet

Protection, order and
aesthetics in one.
Perfect for organising
home spaces, offices and
server rooms.

Easy disassembly of side walls

The latches on the side walls allow for removal. **Locks and keys are included.**

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

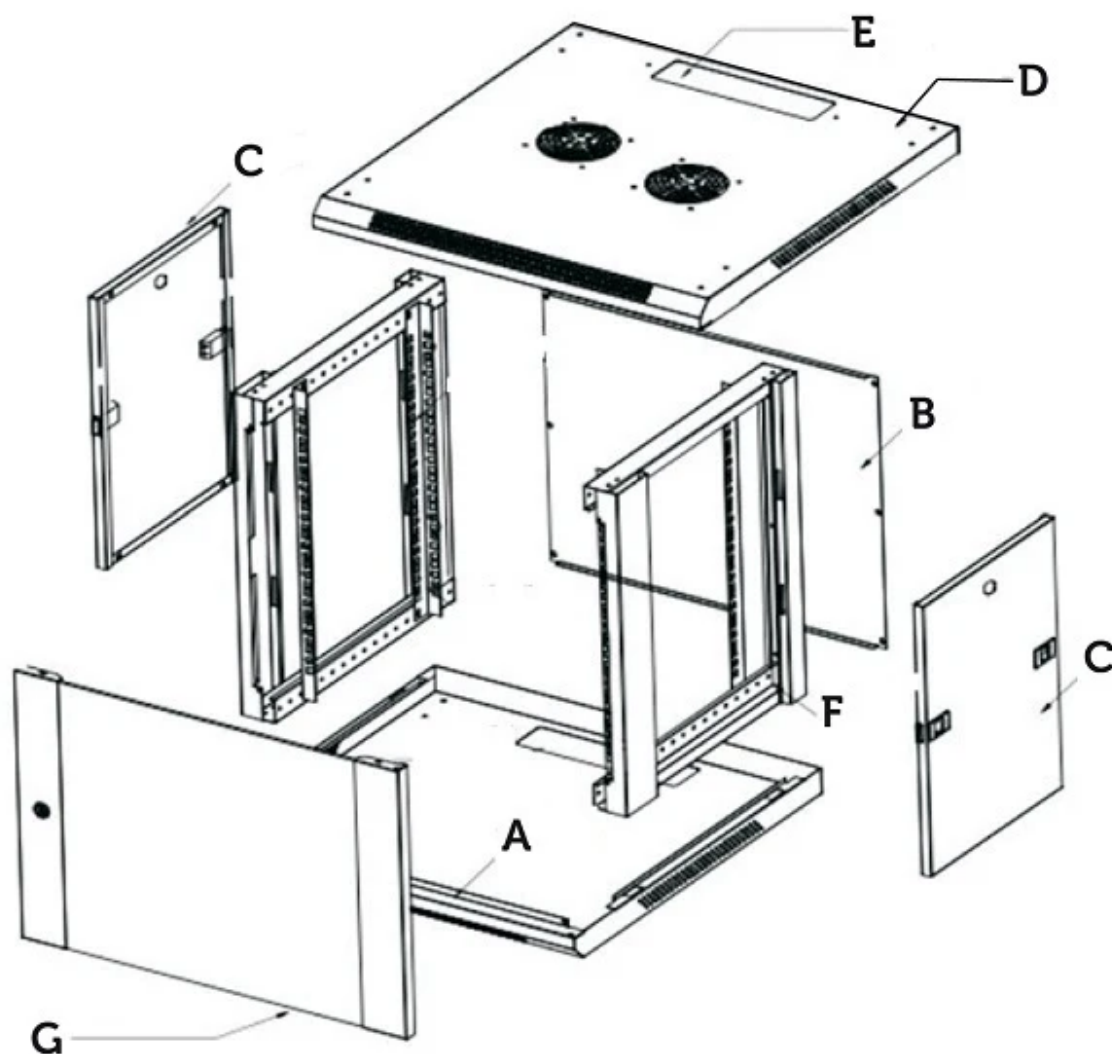

Cabinet ceiling with possibility of installing fans

On the ceiling of the cabinet there are **2 places for installing fans** for better cooling of the devices, there is also **an additional pass-through** for cables.

Cabinet construction - drawing

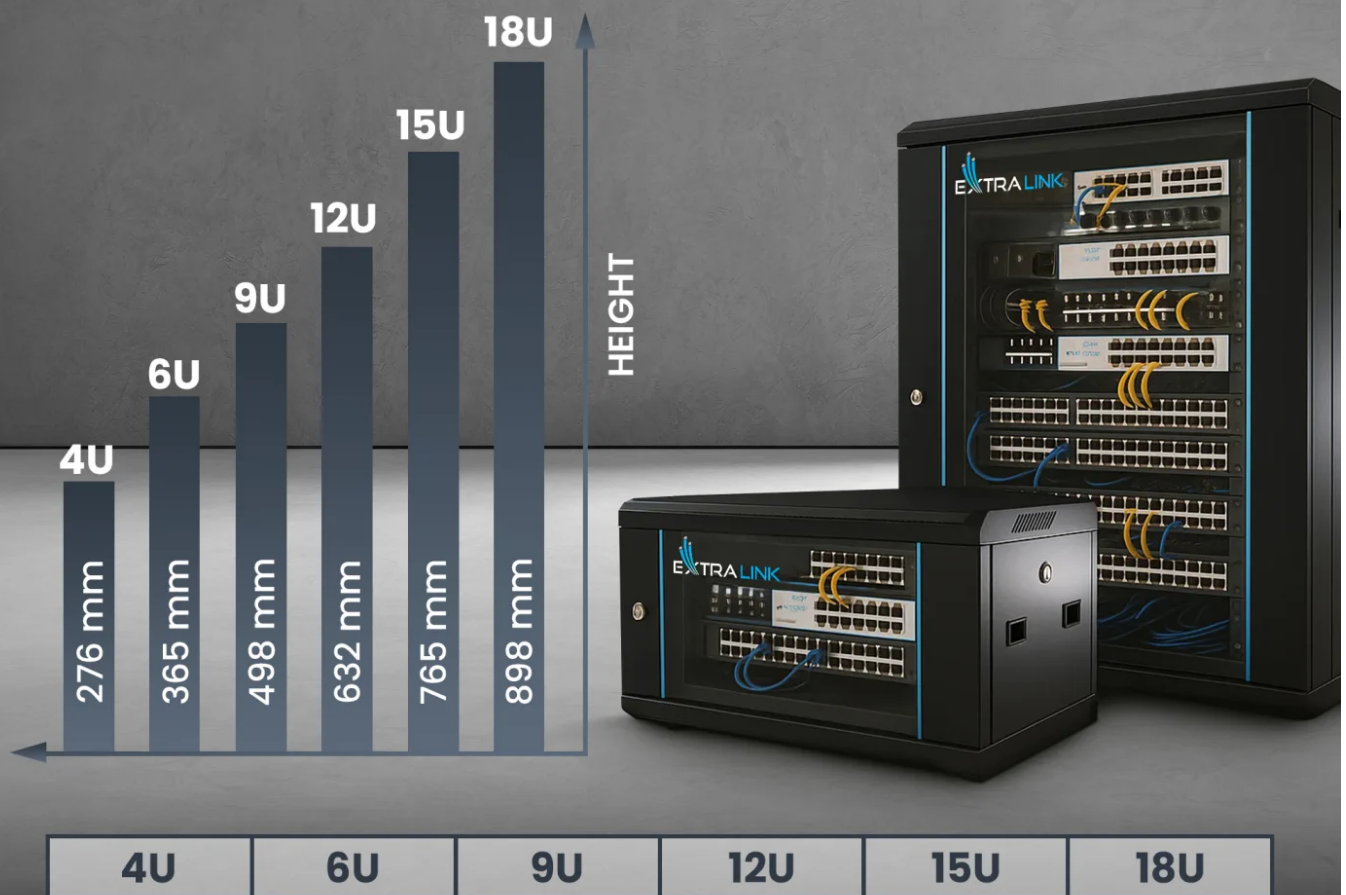

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
- E – Otwór na kable
- F – Rama
