Information:

The black Extralink 15U 600×450 rack cabinet is a robust solution for mounting 19" equipment in offices, server rooms and CCTV systems. Made of cold-rolled steel, it offers a durable, welded construction with the option of wall mounting or floor-standing installation. The front door made of tempered glass can be opened to the left or right, and its opening angle exceeds 180°. Removable side panels, locks with keys included, 15U height marking and cable entry holes make installation and servicing easier. The top is prepared for the installation of 2 fans for better cooling.

Full product description

EXTRALINK brand black rack cabinet - 15U, 600 × 450

Extralink's rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The outer walls are made of cold-rolled steel sheet. Equipped with a pane of tempered glass, the front door can open to the left or right side.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked height

The vertical rails have the appropriate height marking, which is **15U (from unit)**, while the total height of the cabinet is **77.5 cm**.

Professional locking rack cabinet

Protection, order and
aesthetics in one.
Perfect for organising
home spaces, offices and
server rooms.

Easy disassembly of side walls

The latches on the side walls allow for removal. **Locks and keys are included.**

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

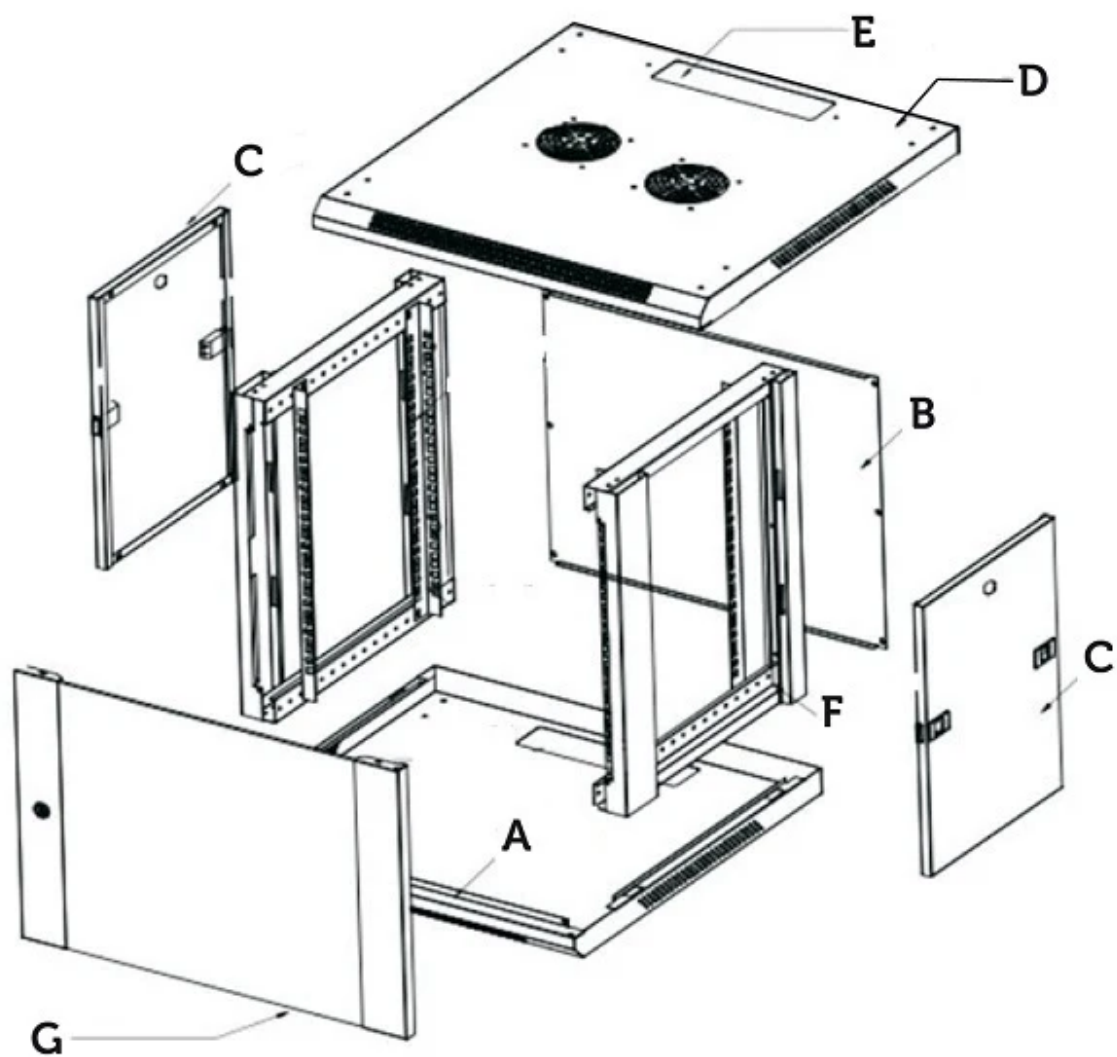

The ceiling of the cabinet adapted for the installation of fans

On the ceiling of the cabinet there are **2 places for installing fans** for better cooling of the devices, there is also **an additional pass-through** for cables.

Cabinet construction - drawing

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
- E – Otwór na kable
- F – Rama

Main features
