Price: **619.00 zł** gross / 503.25 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFNKRIRMMOH

Information:

The Extralink 15U 600x600 black rack cabinet is a solid and stylish solution for organising network and server equipment in an office, server room or CCTV installations. The 19" mounting standard and the option to install it on the wall or in a freestanding position help save space and adapt the cabinet to the available area. The glazed door made of tempered glass with a key lock increases security, while the removable side panels, cable entry holes and ventilation make installation, cabling and equipment cooling easier. The welded frame ensures durability and stability, and quick assembly without specialist tools enhances ease of use.

Full product description

EXTRALINK brand black rack cabinet - 15U, 600 × 600

Extralink rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. External walls are made of cold rolled steel sheet. Equipped with tempered glass front door can open to left or right side.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

The vertical rails have the appropriate height marking, which is **15U (from unit)**, while the total height of the cabinet is **77.5 cm**.

Professional locking rack cabinet

Protection, order and
aesthetics in one.
Perfect for organising
home spaces, offices and
server rooms.

Easy disassembly of side walls

The latches on the side walls allow for removal. **Locks and keys are included.**

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

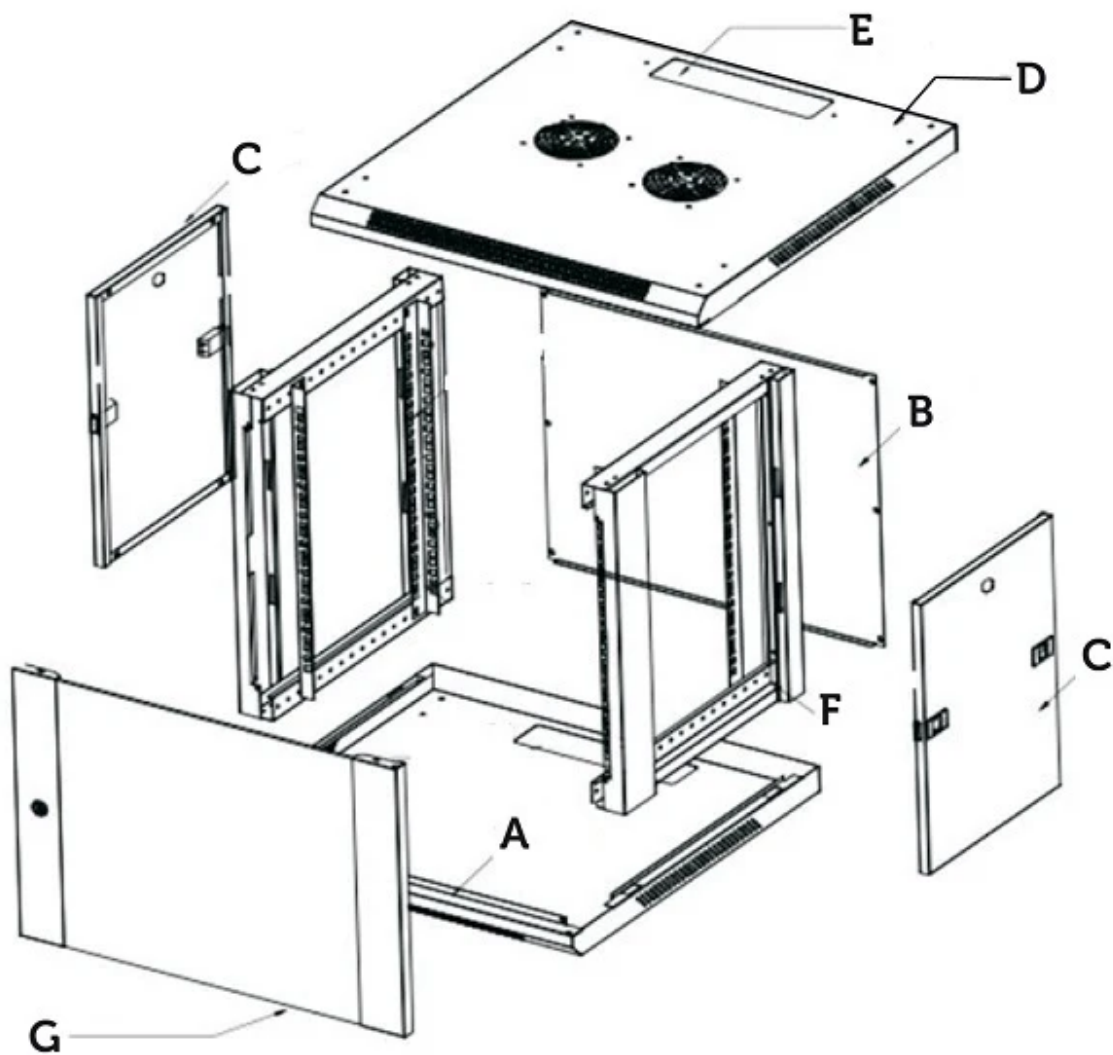

The ceiling of the cabinet adapted for the installation of fans

On the ceiling of the cabinet there are **2 places for installing fans** for better cooling of the devices, there is also **an additional pass-through** for cables.

Cabinet construction - drawing

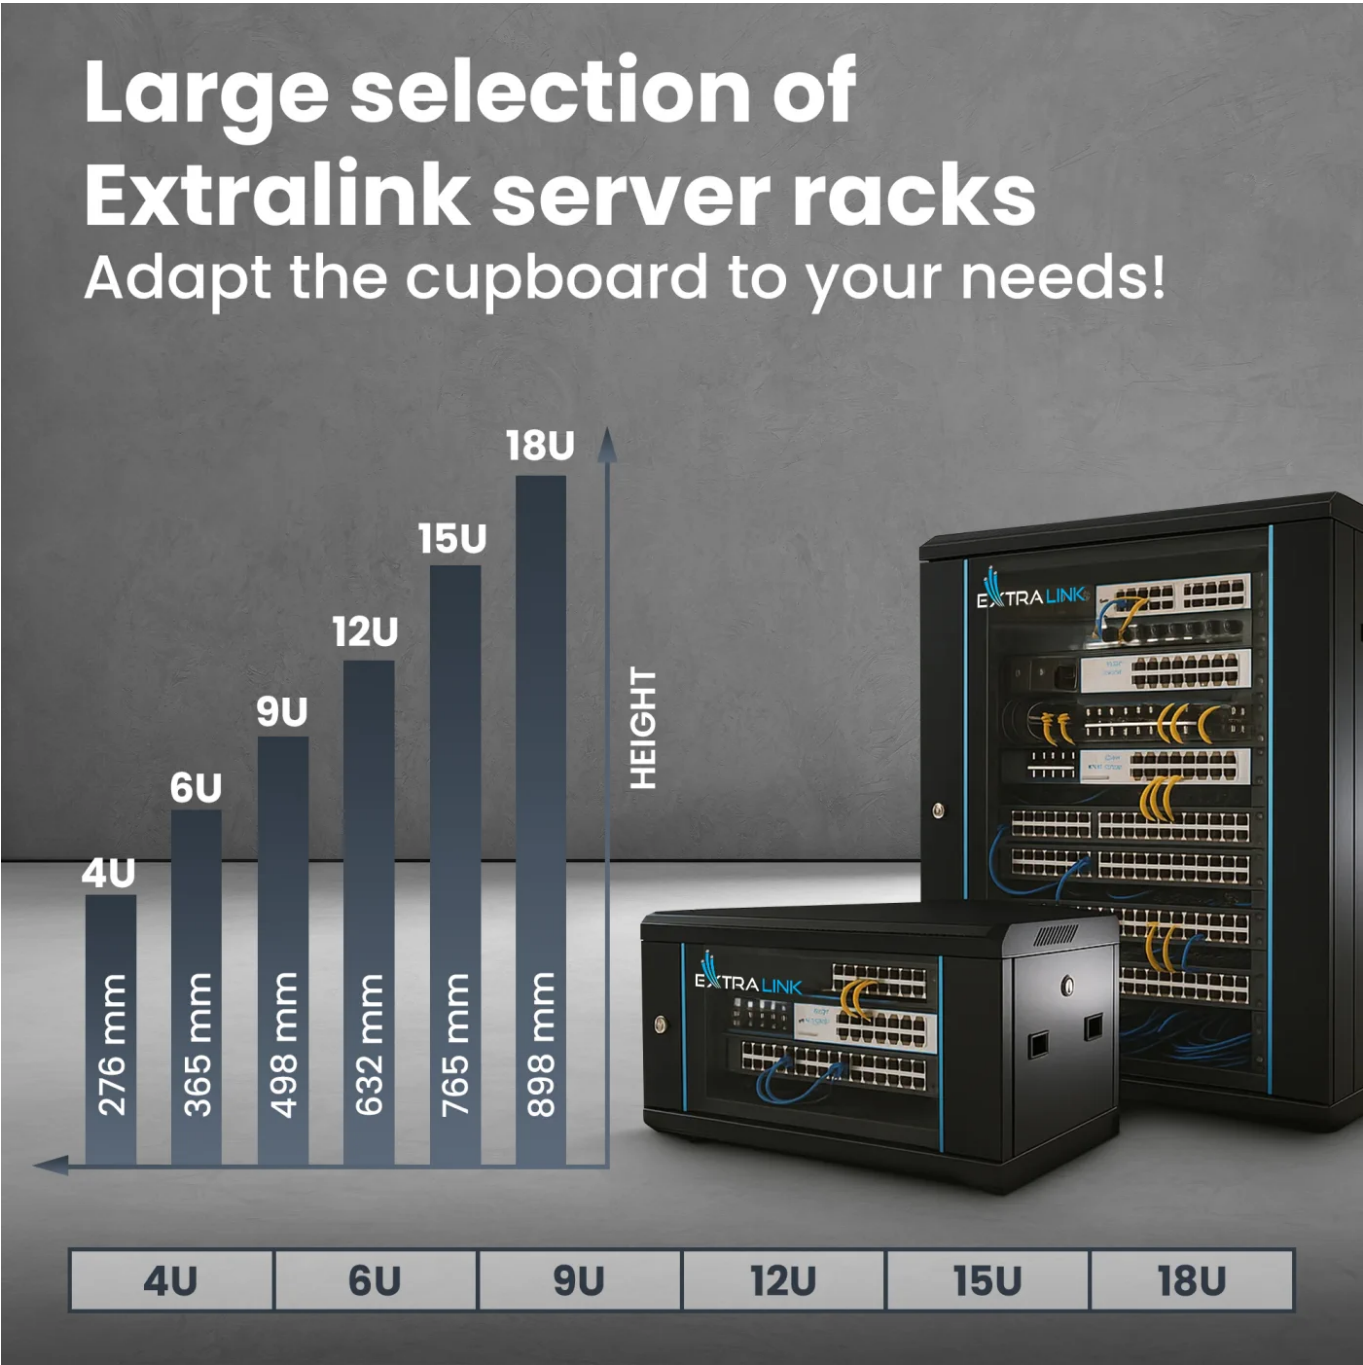

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
- E – Otwór na kable
- F – Rama
