### Information:

The black Extralink 18U 600×450 rack cabinet is a robust 19" cabinet for wall mounting or floor-standing installation, ideal for offices, server rooms and CCTV systems. Made of cold-rolled steel, it features a welded, reliable construction and a self-assembly frame, which makes transport easier and reduces shipping costs. The front tempered glass door can be opened from the left or right, and its opening angle exceeds 180°. Removable side panels with locks and keys make access easier, while the 18U height marking and total height of 91 cm ensure convenient equipment organisation. The top is prepared for the installation of 2 fans and an additional cable entry, and cable openings are also located at the top and bottom of the cabinet.
