Information:

The EXTRALINK 18U 600×450 rack cabinet in grey is a solid steel 19" cabinet for wall mounting or floor-standing use, ideal for offices, server rooms and CCTV installations. The construction from cold-rolled steel sheet ensures durability, while the welded frame and easy assembly make transport and installation easier. The front door made of tempered glass can be opened from the left or right at an angle of over 180°, and the removable side panels with locks increase servicing convenience. The cabinet has a marked height of 18U, a total height of 91 cm, cable entry points at the top and bottom, and space for two fans for better cooling of equipment.
