Price: **42.48 zł** gross / 34.54 zł net

Manufacturer: EXTRALINK

Referention number: DNXFMPNRDRMMPQ

Product features

Package volume	0.41 cm ³
Package weight	1000 g
Material	ABS
Package depth	255 mm
Package height	135 mm
Package width	120 mm
Package type	Polybag
Easy to install	Yes
Product colour	Grey
Connector gender	Female
Type	Cable splitter
Product weight	100 g

Full product description

1:8 PLC fiber optic splitter with SC/APC adapters

Fibre optic splitters are used in FTTH networks, where the Internet is delivered to customers by means of optical fibre. It is led from the server room to the client device without changing the transmission medium. The specificity of this technology requires that the signal is distributed to the clients without using additional active devices.

Splitter PLC with symmetrical 1:8 power distribution with both input and output adapters. Pocket type housing allows quick installation in external switches and boxes, minimizing the risk of fiber damage.

The splitter is mounted with clips that hold it and prevent it from falling out.
