Price: **13.38 zł** gross / 10.88 zł net

Manufacturer: EXTRALINK

Referention number: DNXGGIONERMMHM

Information:

Extralink 1U 19" is a high-quality aluminium blanking panel for rack cabinets, designed to aesthetically and functionally fill empty spaces in a server enclosure. It helps reduce the mixing of hot and cold air, improving airflow and the cooling efficiency of the equipment. Thanks to the stabilising flanges, the panel is stiffer, which reduces vibrations and noise caused by airflow. It also provides a clean, professional appearance for the installation.

Product features

Rack capacity	1U
Size (imperial)	19 "
Product colour	Black
Type	Rack blanking panel

Full product description

Extralink 1U 19"

Extralink 1U 19" are high quality rack caps. These **19 "** caps are designed to keep things neat and efficient. When used in an environment with servers, they help stop airflow from front to back inside the enclosure, **protecting servers from hot air**

Advantages and characteristics

- Prevents hot and cold air from mixing to improve equipment performance.
- Made of high quality aluminum
- Conceals empty spaces in the server rack **for a clean and professional appearance**
- Stabilizing flanges increase panel rigidity, reducing vibration and noise caused by airflow
