Price: **14.99 zł** gross / 12.19 zł net

Manufacturer: EXTRALINK

Referention number: DNXGGIONFRMMIL

Information:

Extralink 1U 19" is a high-quality aluminium blanking panel for rack cabinets, designed to aesthetically and functionally fill empty spaces in the enclosure. It helps separate the flow of hot and cold air, supporting better server cooling and equipment performance. It improves order in the cabinet, gives it a professional appearance, and the stabilising flanges increase panel rigidity and reduce vibrations and noise generated by airflow.

Product features

Rack capacity	1U
Size (imperial)	19 "
Product colour	Grey
Watch case material	Steel
Type	Rack blanking panel

Full product description

Extralink 1U 19"

Extralink 1U 19" are high quality rack caps. These **19 "** caps are designed to keep things neat and efficient. When used in an environment with servers, they help stop airflow from front to back inside the enclosure, **protecting servers from hot air**

Advantages and characteristics

- Prevents hot and cold air from mixing to improve equipment performance.
- Made of high quality aluminum
- Conceals empty spaces in the server rack **for a clean and professional appearance**
- Stabilizing flanges increase panel rigidity, reducing vibration and noise caused by airflow
