Information:

Extralink 1U 300 mm Black is a solid shelf for rack 19 wall-mounted cabinets, made of durable cold-rolled steel sheet. Ventilation holes in the base improve air circulation and help protect equipment from overheating, increasing the safety and stability of device operation. The shelf supports a load of up to 20 kg, making it a practical solution for server rooms, offices, warehouses and technical installations. The 1U standard and 19-inch width ensure convenient use of space, and the included M6*16 screws make quick installation easy.
