Full product description

Extralink fixed shelf

Fixed shelf, 483mm wide, dedicated for mounting in a **RACK** standard cabinet, **800mm** deep. With its help, it is possible to mount devices that do not have a **19"** RACK enclosure in the cabinet. Made of steel sheet in black color. The shelf is fixed **4-point**, which guarantees its stability. **RACK standard cabinets** are widely used in server rooms, recording studios, industrial premises, teletechnology and power engineering.
