Information:

Extralink PC Business is an elegant 23.8" All-in-One computer designed for work and home use. Equipped with an Intel Core i5-11300H processor, 16 GB DDR4 RAM and a fast 512 GB SSD, it delivers smooth multitasking and high performance. The Full HD IPS 1920 x 1080 display offers vivid colours and wide viewing angles, while the built-in speaker and HD camera enhance the comfort of video conferencing and entertainment. A rich set of ports, including 6x USB, HDMI, VGA, Ethernet and audio, as well as dual-band Wi-Fi, guarantees convenient connectivity. The slim white casing saves space and looks great in a modern interior. A keyboard and mouse are included, so the device is ready to use straight after startup.

Full product description
