Full product description

24V 1A 24W jack 5.5/2.1mm power supply

Extralink 24V power supply with 5.5/2.1mm jack. It can be used to supply power to network devices using additional poe injector solutions. It can be used to supply power to IP cameras, APs etc.

The power supply is made in a socket version, i.e. it is plugged directly into an electrical socket. And the output cable is plugged into the receiving device.
