Price: **235.00 zł** gross / 191.06 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFNKSMMNIL

Information:

The Extralink 4U, 10" rack cabinet is the ideal solution for wall mounting in offices, server rooms, and CCTV control rooms. Made from cold-rolled steel, it ensures durability and stability. It features front doors made of tempered glass that open in both directions. Equipped with vertical rails marked with a height of 4U and easily removable side panels, the cabinet facilitates access to devices. Additionally, the ceiling is designed for fan installation, aiding in cooling. The construction is welded, ensuring reliability, while the modular design allows for easy transport and installation, both on the wall and in a standing position. Cable entry holes are located on both the top and bottom panels, making space organisation easier.

Full product description

EXTRALINK 4U 10" rack cabinet

The **Extralink** rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The external walls are made of cold-rolled steel sheet, while the front door has a tempered glass pane with the possibility of opening to the left or right side.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

The vertical rails have a corresponding height designation which is **4U (unit)**. The total height of the cabinet is **28 cm**.

Easy removal of side walls

Clips on the side walls allow for their removal.

Professional locking rack cabinet

Protection, order and aesthetics in one. Perfect for organising home spaces, offices and server rooms.

Ceiling with fan installation possibility

On the ceiling of the cabinet there is **space to install a fan** for better cooling of the devices, as well as **an additional conduit** for pulling out cables.

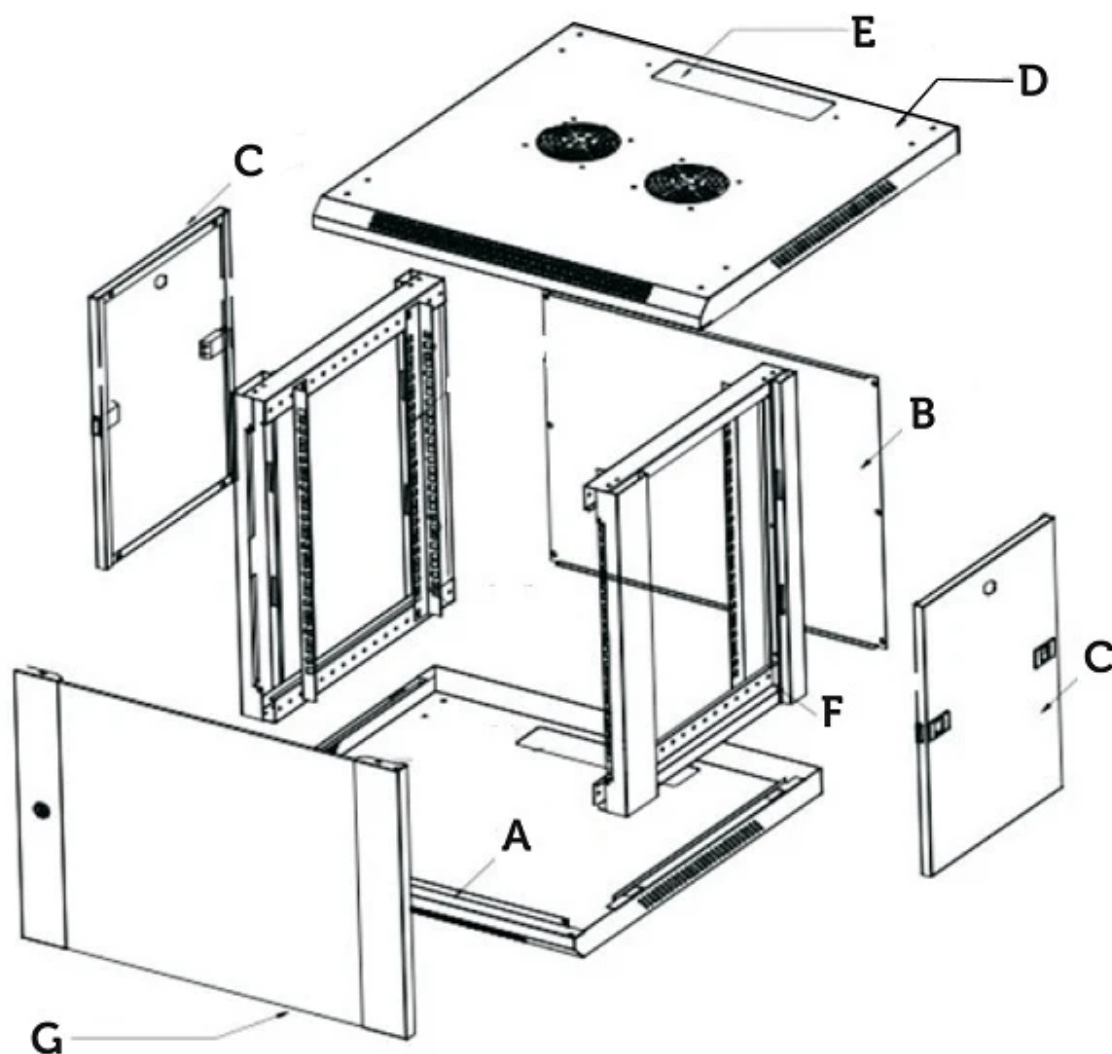

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Cabinet construction - drawing

- A – Ściana dolna, spód
B – Ściana tylnia
C – Ścianki boczne, wypinane
D – Górna pokrywa
E – Otwór na kable
F – Rama
G – Drzwi
